Parish Chimes

An Ancient Faith for a Modern World

November 2019

From the Rector

Dear Friends,

It is said that when one is busy time seems to go faster. I think that is true and right now around our church time is flying! We have started our stewardship campaign. On November 2nd we have our All Souls' Day service at 11 am in the Memorial Garden. On November 10th we have our Veterans' Day luncheon when we celebrate and honor our veterans and celebrate God's provision for us at the conclusion of our stewardship campaign. On Thanksgiving Day, the 28th, we will have our Rite One service. In the midst of all that we will be having our regular ministries; the Bible studies and youth group, the Thrift Store, Back-packs and Food Pantry, the Adult Formation, choir, and Altar Guild. So November will be an exciting month in the life of our church!

November is also a time for us to consciously choose to be thankful. We have one day in the year when as a nation and especially as Christians we stop and remember God's blessings to us. I find the story of Martin Rinkart always inspiring. Rinkart was a minister in Germany some 350 years ago. He was the son of a poor coppersmith, but somehow, he managed to work his way through an education. Finally, in the year 1617, he was offered the post of minister in his hometown parish in Eilenburg. A year later, what has come to be known as the Thirty-Years-War broke out. His town, Eilenburg, was caught right in the middle of the opposing factions. In 1637, the massive plague that swept across the continent of Europe hit Eilenburg. People died at the rate of fifty a day and the man called upon to bury most of them was Martin Rinkart. In one year alone, Pastor Rinkart conducted funerals for **4,500** people, including his own beloved wife. His labors finally came to an end about 11 years later, just one year after the conclusion of the war. His ministry spanned 32 years, all but the first and the last overwhelmed

by the great conflict that engulfed his town. These were very tough circumstances in which to be thankful. But read the words he wrote: "Now thank we all our God, with hearts and hands and voices, Who wondrous things hath done, In whom the world rejoices ...[So] keep us in His grace, and guide us when perplexed, and free us from all ills, in this world and the next. " (Unfortunately we no longer have this hymn in our hymnal but you can look it up on-line if you wish to read the rest of the words—it is a wonderful hymn.) It is incredible isn't it? Even when he was waist deep in destruction and grief, Pastor Rinkart was able to lift his sights to a higher plane. He kept his mind on God's love when the world was filled with hate. He kept his mind on God's promises of heaven when the earth was a living hell. Sometimes it is not be easy to be thankful. Yet, it is only through trusting in our God and being thankful that we will be able to find joy and peace in our lives. So let each of us make the time to be thankful to God no matter what circumstances in which we find ourselves.

Warmly in Christ,
Fr. Lance

The Deacon's Bench

NEWSFLASH

As many of you know, Carolyn and Deacon Ludwig have triplet grandchildren who live in Virginia. Every summer for the past 14 years, they drive up to visit them along with their son, daughter-in-law and daughter. These visits are very special times for the Wallners.

The downside of this is of course the travel. The two days of travel have become longer and less enjoyable with each passing year and then as their grandchildren grow and become very active in their own pursuits of interest, they are missing out on many special events. Because of this, Carolyn and Deacon Ludwig are planning to move to South Carolina to be closer to their children in Virginia.

It was not an easy decision to make. They have been an integral part of our church family for many years. Carolyn is a LEM, serves as co-chair to the Daughters of the King, she reads to the pre-school children, is co-chair of the "backpack" program, serves in the leadership of our church by being on the vestry, facilitates the church prayer chain, is one of our readers on Sundays and on occasion she visits shut-ins with Deacon Ludwig. Ludwig has served as our deacon since 2007. Even though his official duties ended when the mandatory retirement age began he has remained active in our church. He heads up the "backpack" ministry, serves as deacon at the 8 am service, serves as sub-deacon at the 10:30. He helps me in the training of LEM's along with Deacon Elaine. Further he writes this monthly column, "The Deacon's Bench", in the Chimes. In his column he has discussed all sorts of topics like: the rubrics in the Book of Common Prayer, the candles on the altar, what are the clerical garments and their history, and many other topics. This year he began a series looking at disciples of the early church. Unfortunately since they are moving this series will end with St. Thomas as the last disciple covered in the December Chimes.

I am thankful for the involvement and leadership of the Wallners in our church as I am sure you are. There have been times when Deacon Ludwig has gotten up to pray with some of you at 5:30 in the morning before your surgery; he has prayed with and held hands of spouses as their loved ones have gone to the Lord; he has been the celebrant at some of our baptisms and weddings. He and Carolyn have touched many of our lives in

wonderful ways. We will miss them very much; we will miss their godly leadership and deep involvement at St. Andrews! I hope you will join me in praying for them that God will continue to bless and use them as they bring their gifts and graces to their next church home.

Warmly in Christ,

Fr. Lance

Sr. Warden's Remarks

Craig Gates, Sr. Warden

It is November already and what a busy month we have as we move toward the holiday season. We look forward to quality time with family, friends, and our church community as we reflect on the many blessings God has given us.

This year we will celebrate Veterans Day and the culmination of our stewardship campaign with a potluck luncheon November 10th. All veterans are invited to attend the service of your choice and be recognized with our gratitude and thanks for your service. We will also present to God our pledges for the upcoming year. I hope that your offerings reflect your prayers for guidance as you give from what God has given you.

I would like to share a letter that I believe is meaningful as we move into one of our busiest times of the church year. It says that I believe that when we reach out in love and concern to each other, we are actively living out the Gospel message. When we commit our lives to following Christ, and to a life of service, it may at first seem daunting. Will I be asked to do something beyond by abilities? But if we're sincere in our commitment, we will discover countless ways that God can use us to advance the cause of Christ. We will also discover the real blessings of giving ourselves in service and financial support. Even our simplest act of service can make God's love a reality in our world.

It is not possible to ask each one of you personally, but we need your help to keep St. Andrew's functioning effectively. There are many opportunities to serve. Please see Fr. Lance or any vestry member to offer your talents in service to St. Andrew's for the glory of God

Please remember to welcome each visitor warmly. We would like this to be their new church home.

Ministry News

Altar Guild

*Glee Gates,
Coordinator*

Dear Friends of St. Andrew's,

Welcome to the November Chimes and the beginning of many special days to come! As you know, the Altar Guild works behind the scenes in a variety of ways and one of these is to prepare the Altar to celebrate the Holy Eucharist. Each item used in the preparation and set up of the Holy Eucharist has a specific name and purpose. When we learn the proper name of an item and its use, we are able to communicate about it better with each other. We are all familiar with a Chalice. The purificator is folded in thirds and draped over the Chalice. It is used to wipe the Chalice after each communicate partakes of the wine and also to keep the wine from dripping on the altar cloth, called the Fair Linen. If consecrated wine is spilled at any time, a purificator is used to clean it up.

When the Chalice is placed on the altar before the service begins, it is fully vested. The steps for vesting the Chalice are as follows: A purificator is always placed directly over the Chalice with the end thirds hanging over each side of the Chalice. The Chalice is placed on a corporal on the Altar. The Corporal is the square linen that is placed under the Chalice on the Altar and under the elements (wine and hosts) in the Narthex. The Paten (a small plate used to hold the priest's host) is placed over the Purificator and a priest's host is placed on the paten. Next is the pall, a flat, rigid square to protect the priest's host. The veil (which is the proper color) is draped over the pall with the cross facing the congregation. Finally, the Burse (a larger square that matches the frontal and lectern) is placed on top of the veil. The Burse opens and contains two extra purificators in case of spills etc.

Watch as the celebrant removes these items before communion. The Burse, Veil and Pall will be set aside and moved

to the Credence Table.

Vesting the Chalice for each service is just one of the many responsibilities of the Altar Guild. There are many opportunities to serve St. Andrew's Church, please consider this ministry to share your talents.

Pastoral Care Ministry

Janet Crisfield
Facilitator

The Pastoral Care Ministry is dedicated to bringing the presence of Christ to parishioners that are unable to come to regular services either on a temporary or on-going basis.

Many of our members are licensed Lay Eucharistic visitors and bring communion. Some of our members also belong to the Order of Saint Luke and pray and anoint for healing. However, it is not necessary to be or do either. Our goal is to bring the presence of Christ and the caring of our congregation to our fellow brothers and sisters in Christ. Many of the visits can consist of a short friendly visit bringing bulletins, newsletters, cards and small gifts, prayer and or reading Bible passages if the parishioner is unable to do so.

Training and screening is required of anyone wishing to join this rewarding and important ministry. If you are interested in learning more please call Janet Crisfield at 352 796-9389 or Father Lance at the church 352 683-2010.

As I mentioned in previous issues, during the past year we were happy to welcome three new members: Karen Risley, Vera Scharf and Nancy Skinner.

The third new member of the Pastoral Care Team is Vera Scharf. Vera was born in England during WW2 and grew up in the post-war years. She feels she was drawn to the healing field, in part due to a very caring Sunday School teacher who taught her all the wonderful stories of Jesus. As a very young child she announced her desire to be a nurse, never changed her mind, and achieved her goal of becoming a Registered Nurse. Having a license that would allow her to work in many different countries, she got itchy feet and set off to see this beautiful world. The first stop was Canada where she arrived with a small suitcase and \$60 in her

purse! Being a nurse she immediately found employment.

She lived in Canada for twelve years, married, and had two children. Then her husband got interested in adventure so they immigrated in 1977 to the USA, to Fort Myers, FL. Five years later they became American Citizens. Life was full and good until her husband died in a small plane accident in 1990.

Vera learned how much she needed God. They were members of an Episcopal church and she is still grateful to her brothers and sisters at that church who prayed for her at a time when she was so numb that she was unable to pray for herself. At this point Vera really began to grow spiritually, and become aware of God working in her life and the awesome power of prayer, personal and intercessory.

In 2001 Father Fred and Vera were married and moved to Hudson. A few years ago they joined St Andrews Church and are very happy here as they continue to learn and grow spiritually. Both are members of the Order of St Luke and Cursillo. Vera is a lay reader and active Daughter of the King. She wasn't looking to join anything else but, about a year ago, she started feeling little nudges that she should become part of the Pastoral Care Ministry. And then a bigger nudge, "What are you waiting for?" Vera is so grateful that she obeyed this call. She feels that this is an awesome ministry for her. In her words "It is such a privilege to visit those who are sick or injured and to share God's love with them. We are so vulnerable when we are sick, possibly away from our families, sometimes lonely, and frequently scared. It is such a blessing for me, to be able to share Jesus with others as we talk, pray and share Communion together."

"I am blessed to be a part of St Andrew's and blessed to be part of several ministries, especially the Pastoral Care Ministry. I thank you Lord."

Our next meeting is will be November 20, since our usual Wednesday meeting falls the week of Thanksgiving.

Reminder: we cannot visit you or your loved one if we do not know you need a visit. The laws and guidelines are very strict and facilities cannot let us know if you are there or not. You or a family member or friend must call the office and let us know. The office staff is very conscientious about

letting Father Lance and me know.

If you need or know of a fellow parishioner that could benefit from this ministry please call the church at 352 683-2010.

Music Ministry

Jody Bowes
Music Director

Christmas is coming! **Christmas Choir** rehearsals begin **Saturday, November 2nd** at 1 pm in the Krysher Hall Music Room. We are singing a beautiful anthem, "Were You There on That Christmas Night?" by Natalie Sleeth. I hope you'll join us for the music and fellowship.

Save the date: everyone who supports or contributes to our Music Ministry is invited to our **Annual Christmas Lunch and Gift Swap**. This year it will be held here, in Krysher Hall, on **Sat. Dec. 21 at 11:30 am**. Our buffet lunch will be catered by Helen and Tom Sharp so you know the food will be divine! To cover the cost of food, we are asking for a \$7 per person donation. If you want to participate in our gift swap, please bring a wrapped gift to share, that costs no more than \$5, and mark it for a "Girl," "Guy," or "Anyone." So we know how many people to feed, please sign the signup sheet in the Krysher Hall Music Room, or just call or text me at 508-878-0803 or send me an email at jbowes001@aol.com

YOUR VOICE is needed! Due to illness, death, and relocation, our choir membership has declined. If you feel God has blessed you with an ability to sing, now is the time to share your love of music with your St. Andrew's Choir family. Regular Sanctuary Choir rehearsals are Thursdays at 6 pm, for 90 minutes. We sing at the Sunday 10:30 am service. If you can't commit to attending most Thursday rehearsals, come on Saturdays at 1 pm (beginning Nov. 2) for Christmas Choir. Christmas Choir sings at the early (5:30 pm) Christmas Eve service and if you can make it, they sing again the Sunday after Christmas at the 10:30 am service.

I am continuing to work with our **Sunday School Children** to have them present a music offering at a future 10:30

am service; however, since Sunday School resumed in September we have only one child attending Sunday School classes. If you have friends or family who need a good Christian education and who would benefit from a fun music lesson each Sunday, invite them to St. Andrew's!

As always, thank you all for your support and prayer.

See you in church!

Sunday School

Miss Susan,
Miss Colleen &
Miss Jeanie

We discussed the difference between the rich man and Lazarus; the difference was the importance of faith. We had mustard seed races with straws in class. We talked about the size of our faith from day to day and the occurrence of great results due to our connection with God. When the ten lepers requested a blessing from Jesus and then received it, only one of them returned to thank him. We learned about the significance of "please" and "thank you". We learned about the perseverance of a widow who continued to request a solution to her problem with the judge. The judge realized that she would not stop. We discovered that when you pray, you never give up.

The Belles of St. Andrew's

Connie Mehr

The Belles are gearing up for exciting end of year projects. On October 27, we provided the main course for the Sunday meal at People Helping People. This year the Belles are coordinating the Angel Tree program. The "angels" will be up on the tree starting November 16 to give you plenty of time to shop for the less fortunate children at Spring Hill Elementary. And on December 7, the Belles will be decorating our Christmas tree at the Nature Coast Botanical Gardens. This tree is part of the Holiday in the Gardens event that runs from December 7 through New Year's at the Botanical Gardens. Be sure to visit the Gardens to see our tree!

On December 15, we plan to see the play "The Best Christmas Pageant Ever" at the Live Oak Theater Co. More information

on this event will be in the next Chimes and weekly bulletins.

The Belles Discussion Group continues the 2nd Tuesday of each month at 1:00 pm in the chapel. We are discussing the book titled Kingdom Woman where we are learning that God created woman, not just to be a helper for Adam, but to have a real role and purpose on earth. We ponder thought provoking questions that usually leads to a very lively discussion.

For more information on the Belles and their activities, please contact Connie Mehr (352-593-4789).

Congregational Administrators

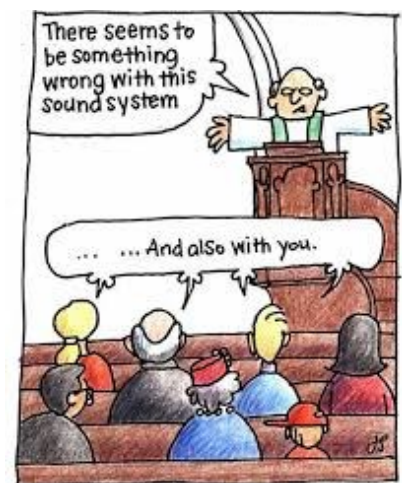

Hello Everyone! At this time of year we begin to think and plan ahead for the holiday celebrations with friends and family. As we approach the Christmas season, please keep in mind the additional services at St. Andrew's and the need to plan ahead for these. Christmas is on Wednesday this year. That means that we need ushers, greeters, readers, LEMS, computer operators and security for not only the three services on the weekend but also for three additional services during that week. In addition, at the end of December we have a service of Lessons and Carols and at least 5 readers are needed for each service. Please begin planning for these needs and let your Congregational Administrator know when you can serve. Please do not wait for them to ask you. It is much easier for you as one person to let them know you're available than for them to try to contact all the volunteers. Your Congregational Administrators work hard each month putting together the schedules for each service. Please help them by stepping forward to serve. (Glee Gates 4:00PM, Sharon Dunham 8:00AM, Mike Ludwell 10:30AM.) Thanking you in advance for the generous giving of your time and talents.

Heart Line to Begin Again!

Heart Line is a ministry of St. Andrew's Church which provides rides to those who are unable to drive to take them to their doctor appointments or to the store, or even to go to the library. We have had this ministry in the past but since Hank McInturff has become ill and had to step back we have had to stop offering this ministry. However we would like to begin it again. This time we plan to set it up in the following way with these parameters. First, we would like a person to volunteer for a morning or afternoon for a Monday or Tuesday or Wednesday or Thursday. The distances we would be able to drive will be to places around Spring Hill, over to Brooksville, and down as far south as Bayonet Point Hospital. People who need rides must be able to get in and out of a car with minimal assistance. This ride service would be for our parishioners but not for their pets. We would also like to offer rides to church if there are folks who would be willing to pick someone up on their way to church. If you would be willing to assist in this particular ministry either by volunteering for a half-day or to bring someone to church, please let Fr. Lance know.

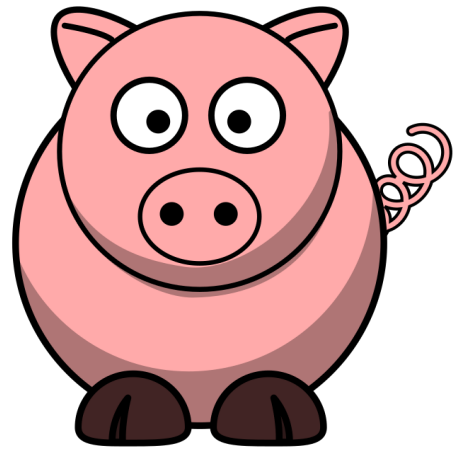

GIVE THE GIFT OF FLOWERS

Donations for Altar Flowers can be given in memory of a loved one or to celebrate a special occasion like a birthday or anniversary. You can also honor a special day by donating for the Presence Light. Flower donation envelopes found in the pew pockets can be used for both of these donations.

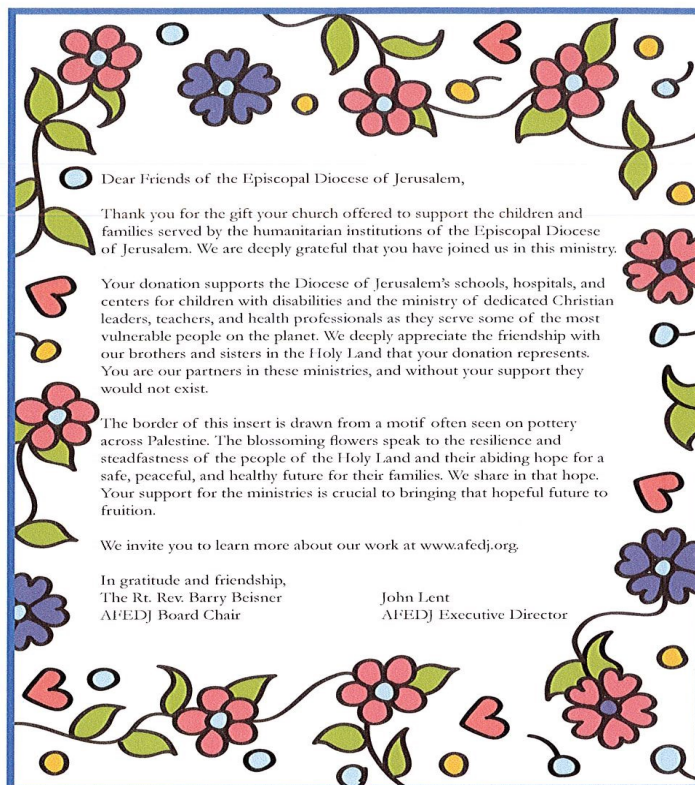

Hams for the Holidays

The Food Pantry is requesting canned hams for the food pantry to be given out the week of Thanksgiving and Christmas. Thank you for your continued support of this important outreach program. Any questions may be directed to Hal Smith in the office.
