Parish Chimes

An Ancient Faith for a Modern World

January 2020

From the Rector

Calendars are a fascinating study. We are beginning a new calendar year this month—Happy 2020! We began a new church year at the beginning of December and we are now half-way through our program year. At the end of this month we have our annual meeting and then our church budget year begins. Calendars are ways we use to mark off the time in our lives. We see in the Scriptures that calendars are gifts from God. He gave us ways to mark time through the seasons, through the movements of the moon and through the changing of the stars in the night sky. It is important for us to make marks in time so that we make time for celebrations, a time to reach a goal, and time to remember God. If we did not have calendars, all days would be the same and that is not what God wants. That's why he had the ancient Hebrews have one day a week as a holy day. Every week they were to set that one day aside; they were to treat it differently than all the other days of the week. On that day they were to spend time with God; they were to spend time resting; they were to spend time with each other. Then throughout the year God had his people set other days aside for special purposes. We do the same thing still, don't we? It is still important for us to set time aside to worship God, and to celebrate and to make our goals.

Speaking of making time for celebrations every year at St. Andrew's we stop on the first Sunday after Epiphany, January 5, and celebrate our church's birthday. Betty Audette used to tell me that the first Sunday after Epiphany is not really our church's birthday; our real birthday is on June 29th when we were officially formed by Bishop Hargrave in 1971. However, if we were to wait to celebrate until June 29th much of our congregation would not be here. So

we want to celebrate when all of us are here. This year for our birthday as always we have much to celebrate! On this day we celebrate and thank our many, many volunteers, we announce our Volunteer of the Year, and celebrate our clergy anniversaries.

Another purpose of calendars is to help us make goals. Our Vestry makes goals every year at the annual vestry retreat. Our retreat takes place the first weekend of February and we spend time Friday evening and Saturday together talking and making goals for the year. Over the years we have planned for physical needs of our church, the projectors and screens; the narthex, the pews, the renovation of the sacristy, and most recently the flooring of Krysher Hall. We plan for spiritual needs as well by considering what we can do as a church to encourage people to come to know the Lord Jesus and learn to follow him better.

A new year always starts with such promise. And even though one would think in 2020 we would have perfect vision, (I really had to put in at least one pun for this year) we do not know what will really happen. We have hopes, expectations, and perhaps fears. Yet what will be has yet to be discovered and experienced. Scripture tells us that God's mercies are new every morning! We know God can be trusted because He is faithful.

This coming year may you desire to experience God's presence more in your life and may your desire to serve God grow. And pray for St. Andrew's that we will grow so that we can continue to help our church community, our Spring Hill community, and even those throughout the world.

Warmly in Christ,
Fr. Lance+

About Our Vestry:

Who are the vestry and what do they do? Similar to our Liturgical Moments I thought perhaps this would be helpful as we approach another vestry election. The vestry is a group of 9 people from our church membership who typically serve for 3 years. They are the legal representatives and agents of our St. Andrew's parish and share leadership responsibilities with the rector. These people make decisions concerning the budget and then approve the church budget before it goes to the annual meeting to be approved by the congregation. They help me make decisions about church direction and priorities. They also let me know problems that they see in the church and recommend how these problems can be solved.

The people that I look for to serve on the vestry are as follows: I first look for people who love our Lord Jesus and want His church here at St. Andrew's to grow. Secondly I want people who are involved in trying to grow spiritually through regular church attendance and through attending Adult Bible study, Adult Formation, or another study like the Men's group or Belle's studies. And then I want people who are already involved in church ministries. We do not need people who are side-line coaches. We need people who are involved and already serving in the church in some way. And finally I look for people who have a heart for others, who are concerned about those around them in church. Did you know that our vestry members pray weekly, some of them daily, for people in our church? It is true. Your current vestry members are wonderful leaders! This coming annual meeting I hope you will vote more people like them to serve on this coming year's vestry.

This year the following vestry positions are up for election: Craig Gates, Maureen Follansbee, and Dale Hatch all 3 year positions and then Carolyn Wallner and Jackie Ruth (temporarily filled by Nancy Cotter) which are one year positions. So there are five positions that will be voted upon. There are currently 6 candidates. The ones with the 3 highest number of votes will take the 3 year positions. The two with the next highest number of votes will take the one year positions and the one with the least amount of votes will be the vestry alternate.

Sr. Warden's Remarks

Craig Gates, Sr. Warden

Welcome to 2020!

May this year be filled with God's blessings for you and St. Andrew's.

January will continue to be a busy month for us. Our annual birthday and Epiphany celebrations, pot lucks, and annual parish meeting will provide opportunities for us to reflect on how God is working through us and our church as well as time for good food and fellowship with friends. Remember that our parish meeting will be held on January 26th after the 10:30 service. We will be electing new vestry members, your convention delegates, and presenting our annual report. We hope you will attend and show your support to those who represent you and St. Andrews Church. Lunch will be provided so watch the bulletin for information as it becomes available.

This will be my final Chimes article as your Senior Warden. The past 6 years has been a meaningful and memorable experience. The vestry members are dedicated to St. Andrews and have worked tirelessly to keep our church strong and vital both now and provide for the future. Thank you for the opportunity to serve you and for the spiritual growth I have experienced as your warden.

I encourage you to keep reading and reflecting on God's word and putting it into practice. Take advantage of our meaningful Bible study and adult formation classes. Remember, when we become a blessing to others, we bring glory to God.

I look forward to worshipping with you each week.

December in preparation of the Bishop's visit and in making the church festive and welcoming for the holidays: The decorating committee for preparing and hanging wreaths and other adornments, all volunteers who assisted in placing the poinsettias, for our Sr. Warden, Craig Gates, for setting up and removing the aisle candle stands and storing wreaths and other decorations and Jerry and Gail Niedurny for the use of their crèche. We thank Fr. Lance, Diane and Deacon Ludwig for joining us at our holiday brunch.

As we moved out of Advent and into Christmas, the beautiful blue was changed to white to signify purity, joy and truth for the birth of our Lord Jesus.

With the New Year, we once again ask you to consider joining our Altar Guild. We not only prepare for all the regular services, we also make preparations for special services such as when Bishop Howe visited. We prepare for Baptisms, Confirmations, receptions, funerals and of course all the additional services of the holidays. If you would like more information on how to become involved in this ministry, please contact Glee Gates at the 4:00 service or Patti Werner at the 10:30 service. If you are not able to reach one of us contact Fr. Lance for more information. We look forward to your support of the Altar Guild and St. Andrew's in 2020!

Pastoral Care Ministry

*Janet Crisfield
Facilitator*

The Pastoral Care Ministry wishes you all a Happy New Year and a continuation of the joy and blessings of the holiday season. We are dedicated to bringing the presence of Christ to parishioners that are unable to come to regular services either on a temporary or on-going basis. The recent Bishop's visit was wonderful and we hope our new members prayerfully consider joining our ministry.

Many of our members are licensed Lay Eucharistic Visitors and bring communion. Some of our members also belong to the Order of Saint Luke and pray and anoint for healing. However, it is not necessary to be or do either. Our goal is to bring the presence of Christ and the caring of our congregation to our fellow

Altar Guild

*Glee Gates,
Coordinator*

Hello and Happy New Year to you all. It has been a very busy time for the Altar Guild and once again, I thank each of you for the generous gift of your time to prepare for our special services. We thank the following who assisted the Altar Guild during

brothers and sisters in Christ. Many of the visits can consist of a short friendly visit bringing bulletins, newsletters, cards and small gifts, prayer and or reading Bible passages if the parishioner is unable to do so.

Training and screening is required of anyone wishing to join this rewarding and important ministry. If you are interested in learning more please call Janet Crisfield at 352-796-9389 or Father Lance at the church 352-683-2010.

Our next meeting is Wednesday January 22 at 12 noon in the chapel.

Reminder: we cannot visit you or your loved one if we do not know you need a visit. The laws and guidelines are very strict and facilities cannot let us know if you are there or not. You or a family member or friend must call the office and let us know. The office staff is very conscientious about letting Father Lance and me know.

If you need or know of a fellow parishioner that could benefit from this ministry please call the church at 352-683-2010.

Sunday School

Miss Susan,
Miss Colleen &
Miss Jeanie

We welcomed the season of Advent. We discussed the need for preparation for Christ's coming and the meaning of the motto: "Be Prepared". We talked about the need for having patience while waiting and watching for Jesus, i.e. the meaning of Christ in Christmas. Gifts are part of our Christmas tradition and we should never forget the significance of the gifts that Jesus brought and continues to bring in our lives.

Congregational Administrators

The Congregational Administrators, Mike Ludwell, Sharon Dunham and Glee Gates all wish to thank those of you who stepped up to volunteer for our special holiday services. We would also like to thank Lisa in the office for compiling the schedules. Meeting the needs, not only for the additional services but also the higher attendance at each service, required many helpers. We had volunteers who served in more than one capacity and during more than one service. Thank you so much to each of you for the generous giving of your time to St. Andrew's especially during this holiday season!

The Belles of St. Andrew's

Connie Mehr

The Belles had a fun time decorating our tree at the Botanical Gardens on December 7! We even got a chance to talk with Santa! Afterward, we went to Weeki Wachee Candy Company for brunch.

On December 14, the Belles went to see the play "The Best Christmas Pageant Ever" at the Live Oak Theater Company. It was a cute play and everyone enjoyed it.

The Belles will meet on Saturday, January 18 at 2:00 in Krysher Hall to play card games. During the card playing, there will be various foods to taste (and perhaps some beverages).

There will be no Belles Discussion Group in January. We are looking at changing the format and, perhaps, a day and time change. Watch the bulletin for more information.

Any Belle who would like to plan, organize and execute any event is encouraged to do so. Let Connie know of any ideas you have.

For more information on these or other Belles events, please contact Connie Mehr (352) 593-4789.

We had 31 families with a total of 98 children to provide gifts for. And our congregation certainly came through! Your generosity was overwhelming! And a BIG thank you to all who came to help wrap almost 500 presents which we accomplished in 3 hours! This ministry takes a lot of work and organization but is worth it when we think of the faces of the children opening these presents on Christmas Day!

By-laws Revision

This coming January in our Annual Meeting the vestry is proposing a revision to our church By-laws. As per the by-laws this has to be announced at least 3 weeks before the meeting. The proposed revision is as follows: Change the name of Article 6 from Endowment Fund to Investment Reserve Fund. Further change the article to read "Responsibility for investment reserve funds resides within the Vestry. Funds can be managed through an investment company, endowment management company, diocesan investment trust, Episcopal Church Foundation or a St. Andrew's Committee." The current wording is as follows: "Responsibility for endowment funds and quasi endowment funds resides within the Vestry. Funds can be managed through an investment company, endowment management company, diocesan investment trust, Episcopal Church Foundation or a St. Andrew's Committee."

The reason for this revision is the Diocese has requested our by-laws to be changed. The reason they gave us is as follows: "The issue here is terminology. An endowment is a very specific item with restrictions for usage. It seems this account is not an endowment and the vestry does not want it treated as an endowment. Therefore, the name of the account should be changed. As it is now, the name is misleading to those wishing to contribute to it." The diocese recommended that we change the name to Investment Reserve Fund to reflect how it is currently be treated by the vestry.

The account being discussed is the church's SSGA investment account. The vestry some five years ago designated that the church should keep at least 100,000 as a minimum. Monies over that amount may, at the vestry's discretion, be used for ministry, outreach, or other uses as it so designates. Currently the balance in this account is at \$109,000.

VESTRY NOMINATION QUESTIONNAIRES

Want to know who's running for Vestry this year?

We gave questionnaire forms out to the nominees so now we can all get to know a little bit about them!

VESTRY QUESTIONNAIRE: JANIE FRITZ

Why do you want to serve as a Vestry member of St. Andrew's Episcopal Church?

My church is my home away from home! I feel I can help keep St. Andrew's moving in the right direction and help other members realize it as their home as well. I would like to be a part of the decision-making for our church.

What are your qualifications for this position?

My devotion to St. Andrew's has intensified as the years have passed. My experience on the vestry in the past helps me understand what is involved in the workings of the vestry.

Tell us a little about yourself and your faith:

I am a cradle Episcopalian and have never strayed from my faith. My husband, Tom, and my three children share in this faith.

What do you love about our church?

I love the service and every aspect of it. I have enjoyed thoroughly the classes and conferences I have taken and the wonderful friendships made here. I am proud to be a member of St. Andrew's.

Are you able to be present for Vestry meetings on the fourth Sunday of the month at 12:30 p.m.? (this is our current schedule)

Yes

Are you able to be present for the Vestry Orientation Retreat the first weekend in February Friday evening and Saturday 9-3?

Yes

VESTRY QUESTIONNAIRE: *SHERRI HAUN*

Why do you want to serve as a Vestry member of St. Andrew's Episcopal Church?

I would like to build a stronger bridge between Vestry and the Thrift Store.

What are your qualifications for this position?

I'm good with people. I try to have an open mind. I have good organizational skills.

Tell us a little about yourself and your faith:

I grew up a Methodist as did my husband. After several years of marriage, we found the Episcopal Church. This was a very good fit because we grew in our faith. My journey in faith has continued to grow here at St. Andrew's.

What do you love about our church?

I like most off, the people. I feel comfortable with the clergy, which hasn't always been the case. I'm proud of and amazed at all our outreach programs.

**Are you able to be present for Vestry meetings on the fourth Sunday of the month at 12:30 p.m.?
(this is our current schedule)**

Yes

Are you able to be present for the Vestry Orientation Retreat the first weekend in February Friday evening and Saturday 9-3?

Yes

VESTRY QUESTIONNAIRE: *MIKE LUDWELL*

Why do you want to serve as a Vestry member of St. Andrew's Episcopal Church?

I believe I can offer hard work, dedication, and perhaps some creative suggestions to make our church even finer than the one we are proud of today.

What are your qualifications for this position?

I have served in numerous ministries at St. Andrew's. These include: the food pantry, greeting and ushering, school backpacks, congregational administrator of the 10:30 am service, counter for Sunday collections, and Heartline. I have also served as a grant writer, lay minister, and vestry member in previous Episcopal churches.

Tell us a little about yourself and your faith:

I was raised Roman Catholic and went to Catholic schools through college. I am very grateful and fortunate for the foundation I received. At the same time, there was always something that seemed lacking. So, in 1982 I investigated and joined the Episcopal Church. I have never looked back and only forward. I feel very fortunate. As for my faith, it seems as though no matter how much you have, you always want more. I will only say that in good times and the dark, Jesus is my rock.

What do you love about our church?

In the few years Kathy and I have been attending St. Andrew's we have learned that it is much more than a church. It has become our family. Every one of us goes through life with our own trials and joys. The St. Andrew's family has always been there. What a Wonderful feeling!

**Are you able to be present for Vestry meetings on the fourth Sunday of the month at 12:30 p.m.?
(this is our current schedule)**

Yes

Are you able to be present for the Vestry Orientation Retreat the first weekend in February Friday evening and Saturday 9-3?

Yes

VESTRY QUESTIONNAIRE: BOB MEISSNER

Why do you want to serve as a Vestry member of St. Andrew's Episcopal Church?

I want to serve on the vestry because of my prior experience in various churches. The church besides being a spiritual entity is a business and I am familiar with the business of the church.

What are your qualifications for this position?

Since becoming an Episcopalian some 55 years ago, I have been active as a LEM, Sunday School teacher, chalice bearer, a member of the Order of Saint Luke, and Pastoral Care Visitor, bringing Holy Communion Holy Oil, and prayers to people. I am a member of the Men's Group and attend Bible Study regularly.

Tell us a little about yourself and your faith:

I am married to my wife Caroline for 55 years and have 3 children, 7 grandchildren, and 2 great grandchildren on the way, all of whom live close by. I retired from the New York City Police Department as a Sergeant. I attended seminary for a short time and had to leave unfortunately because of my NYPD scheduling.

What do you love about our church?

The church is people, and I feel that we have a warm and welcoming congregation. I love Fr. Lance because he is a people person and certainly knows his Bible.

Are you able to be present for Vestry meetings on the fourth Sunday of the month at 12:30 p.m.? (this is our current schedule)

Yes

Are you able to be present for the Vestry Orientation Retreat the first weekend in February Friday evening and Saturday 9-3?

Yes

VESTRY QUESTIONNAIRE: MAUREEN FOLLANSBEE

Why do you want to serve as a Vestry member of St. Andrew's Episcopal Church?

I have been serving as a Vestry member and would like to continue to do so. This participation in the operation of St. Andrew Church gives me a feeling of a more complete belonging to our church community. I appreciate being able to be active in the church in this capacity, and not only be an attendee.

What are your qualifications for this position?

As mentioned I have been serving on the Vestry and am aware of the existing issues we are facing and our plans for the future. I attend services regularly. The qualifications doubtfully require it, but I am a college graduate.

Tell us a little about yourself and your faith:

I have a strong belief in the path of Christianity and I try to be a faithful follower of Christ's teachings. On the many occasions that I fall short, I ask God to give me the grace to improve.

The many blessings that I have had are a constant reminder of the thanks I owe to God for my life. Volunteer work takes a high priority for me and has since my days in high school. Giving back and reaching out are endeavors I have always built into my life.

What do you love about our church?

Our priest. The services. Our members. The church and property.

Are you able to be present for Vestry meetings on the fourth Sunday of the month at 12:30 p.m.? (this is our current schedule)

Yes

Are you able to be present for the Vestry Orientation Retreat the first weekend in February Friday evening and Saturday 9-3?

Yes

VESTRY QUESTIONNAIRE:

HARRY CALDERBANK

Why do you want to serve as a Vestry member of St. Andrew's Episcopal Church?

I have previously served here on the vestry at St. Andrew's. However, during my last year of service, my wife was very ill and required much of my time. I do not feel that I was able to provide the attention and dedication vestry service requires. Due to her recent passing, I now have the time to attend to those duties and I would like to make amends for my previous shortcomings.

What are your qualifications for this position?

My aforementioned prior vestry service included duties as Junior Warden and I was deeply involved in the myriad maintenance and repair issues facing us at the time. I currently serve as a LEM and Lay Reader at the 10:30 service. I have previously served as a greeter and usher at the 8:00 AM service.

Tell us a little about yourself and your faith:

I was raised in the Roman Catholic tradition but fell away from church attendance and participation as a young man for a variety of reasons. After many years of religious antipathy, God saw fit to bring me back to light. I came to St. Andrew's one Sunday morning in 2008 to investigate the church where my infant granddaughter was to be baptized and never left. I came, I saw, I submitted.

What do you love about our church?

Just about everything: our remarkable rector, our campus, the parish ministries, our beautiful church and, of course, my fellow parishioners. Above all, God! God lives here at St. Andrew's. I feel his presence every time I enter the church. He brings me comfort and strength all the time.

Are you able to be present for Vestry meetings on the fourth Sunday of the month at 12:30 p.m.? (this is our current schedule)

Yes

Are you able to be present for the Vestry Orientation Retreat the first weekend in February Friday evening and Saturday 9-3?

Yes

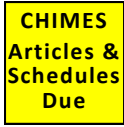

We thank Bishop Howe for welcoming our 35 new members (including 1 Baptism and 1 Confirmation) on December 15th.

A note to those attending the 10:30 service:

One of the reasons that many of us attend the 10:30 service is because of the music. And one of the particularly wonderful parts of our music is the preludes that Jody our organist plays before the service. During this time, please do not try to talk with her because it disrupts her concentration—our organ is a difficult instrument to play. If you need to communicate with her during this time, write a note and place it either beside her or on her music stand (not on her music) and she will look at it as soon as she can. Thank you!
