## Parish Chimes

An Ancient Faith for a Modern World

January 2022

### From the Rector

Are you a New Year's resolution maker? Many people make goals about fitness, weight loss, or time management. The experience of crafting goals can be exciting as we look ahead to a future we hope will be different from the present. Others find this kind of goal-setting stressful and unappealing. The idea of making New Year's resolutions just sounds oppressive and guilt-inducing. These folks enjoy the freedom of simply going on as before. However, even realizing there are folks who are not eager to change, I would like to recommend some goals of much greater value than getting physically fit or utilizing their time better. These sorts of goals are for all of us, whether we're resolution makers or free spirits.

The first goal I recommend is to make time to read some of the Bible at least several times a week and not just wait to hear God's word until we get to church. As followers of Jesus it is important that we learn what He actually taught us and how we should be living. We learn these things by reading what Jesus said in the gospels and then what his apostles taught in their letters.

Another resolution I recommend is to pray every day. In your prayers include several things. First ask God to help you understand how much He loves you. It is vitally important for us to understand the love of God in order for us to grow spiritually. In fact the more we grasp love of God, the more we feel God's presence and peace in our lives. I also commend praying for someone about something specific. Choose someone about whom God has made you concerned and resolve to pray for him or her during your daily prayer time. At this time next year you will be amazed at what has happened. And finally in your prayer time ask God to help you grow in your faith and ask Him to help

you to be more kind and loving to others. On your prayer list please continue to pray for me as your pastor and priest and pray for St. Andrew's that we will continue to grow so that Jesus Christ will be honored through our lives and church.

Starting a new year is always an exciting thing. What will it be like? What new things will happen? How will God work in us as a church and in each of us individually? In our church we are looking forward to continuing to open back up. I am hoping to begin Adult Bible studies once again. We are hoping to begin the ministry of Order of St. Luke's again. We are hoping to be able to offer the wine during Holy Communion again! Yet even as we look forward to those good things we are bracing for the new Omicron variant. And because of that, I cannot say when all of our ministries will, in fact, open again. Still, we are confident that God will continue to work everything out because He has called us into His service! May God grant you a blessed New Year full of joy and peace!

Warmly in Christ,  
Fr. Lance+

## Sr. Warden's Remarks

Mike Ludwell, Sr. Warden

Robert Burns wrote the poem "Auld Lang Syne" in 1788. This was in response to his learning of the death of a dear friend and mentor. The next year it was set to a familiar Scottish folk song that has come down to us today. Loosely translated, it means for the sake of old times. This is a time of year when so many people think of lost friends, family and missed opportunities. I prefer to think of it as the opportunity to grow in our faith and do a better job at serving the Lord. St. Andrew's provides many avenues to assist you in such an endeavor. I trust the new year will allow you to grow in your faith and service.

## Treasurer's Tidbits

Connie Mehr

Pledge envelopes should be available for pick-up by January 8 & 9. Because fewer people have requested envelopes for 2022, we ordered only the amount needed rather than more than we needed so that everyone could keep the envelope number they have had. This means that if you have had a higher envelope number (60 & above) in the past, your envelope number will be different beginning in 2022. Please be assured that your contribution will be credited to your new envelope number. Because envelope numbers will be changing, we ask that you do not use envelopes received in 2021 for your 2022 contributions. If you received envelopes in the past but do not find envelopes in January, please put your name on the Envelope Request List (which will be by the envelopes in the Narthex) and we will order additional envelopes. As a reminder—if you switch from envelopes to no envelopes, your number will change. So again, please do not use envelopes from 2021 for 2022 contributions. If you have any questions about the envelope changes, please contact me.

## Buildings & Grounds

Hal Smith, Director of Buildings & Grounds  
Bob Meissner, Junior Warden  
Craig Gates, B&G Committee Chairman  
Steve Smith, Campus Manager

As we enter into a new year, we are thankful that our church campus is in excellent shape and condition. This last year has been tough because of the COVID virus but our church is in wonderful shape. We have updated our video capability to better serve our parishioners. We have been able to replace 4 air conditioners and add one to our Thrift Shop. We have replaced all the roofs except the maintenance shed, Coulton Hall, and the Child Care Center. Also, Memorial Gardens has been completely renovated and is beautiful. We have completed many landscaping projects around the church. We have completed painting the trim and the soffits on all the buildings. We have been blessed that we were able to do all this work during such a trying time. Steve, Bob, Craig, and I would like to thank you, the parishioners, for your support throughout this past year. May all of you have a Merry Christmas and a Happy New Year!

## Ministry News

### Altar Guild

Glee Gates, Director  
Patti Werner, Co-Director

What a glorious time of year to be together again and rejoice in the birth of our Lord, Jesus!

Time is a gift from God. This year make time every week not only to worship God but to serve His church....your church. Most of the ministries are now becoming active again after the long COVID hiatus and due to many factors related to aging, illness or mobility, many of our ministries are in need of volunteers especially the Altar Guild. Please pray and consider offering your gifts and talents to support and serve on the Altar Guild (or any of our other ministries).

In Fr. Lance's Homily on the fourth Sunday of Advent he talked about how God takes pleasure from our offering of

service....when it is given with love.

Scripture tells us that God's mercies are new every morning! Let us use each new morning to serve God and His church and experience the joy of giving of ourselves with love in service to God.

## Pastoral Care

Janet Crisfield

Pastoral Care Team

Visits continue to be on hold for hospitals and some extended care facilities due to COVID developments and policies. Fr. Lance is able to visit in these places and continues to do so.

We are able to visit people in most extended care facilities; however, these places have differing guidelines. All the team has been vaccinated and we call for any changes before we visit upon request of the patient or family. We will continue to offer cards, prayers and phone calls to the homebound as well as all those in extended care facilities.

Our annual organizational meeting will be the fourth Wednesday of January at noon in Krysher Hall. The date is January 26, 2022.

**We are currently welcoming new team members for training and preparation** to begin visits as things open up. There is training and "internship" served before you are fully able to visit on your own. This takes a period of time so we do need to begin now. We have had couples and/or two people visit as a team in some situations so if you feel this would work for you please consider and pray on this.

Fr. Lance and I are willing to talk to any of you who feel called to or are considering this ministry at this time.

**A reminder: We cannot be in touch with you if we do not know of your needs. We are able to do some home and extended care visits if you are vaccinated. If you need our prayers and support you must contact the office and let them know.**

A very Happy New Year and God bless your New Year. Your coming in and going out. Your rest and traveling about. The rough, the smooth, the bright, the drear, God bless your year .

## New Bunco Group Starting in January

All members of the church are invited to come to play Bunco in Krysher Hall. We will play on the second Tuesday of every month at 1:00 pm. The first meeting will be January 11, 2022. If you have never played Bunco, it is an easy game to learn and to play. Come out to play and be with other members of the church! For more info, contact Connie Mehr.

## Women's Bible Study Starting in January

A Bible study for all women of the church is starting on the third Thursday of every month at 10:00 am beginning January 20, 2022. This Bible study will use Elizabeth George's Experiencing God's Peace. Through the book of Philippians, women will discover God's perfect and lasting peace in every area of their lives—no matter how turbulent. This study especially focuses on helping Christian women know how God desires for them to live. If you plan to attend, please sign up so that we can get the appropriate number of books. For more info, contact Connie Mehr.

## The Belles of St. Andrew's

*Patti Werner*

The Belles of St. Andrew's, our church's single women's social group, invites you to join us at our meeting and socializing on the second Wednesday, Jan 12 at 2 pm and we hope that more single ladies in our church family join us. We'll be playing card games and board games, so bring your favorite to share. We like making new friends. If you would like more information about our group, please call Patti Werner.

## Music Notes

*Jody Bowes,  
Director of Music*

Many thanks to those who shared their voices and hearts in our Christmas Choir in December. Sanctuary Choir rehearsals will resume on Saturdays at 2 pm beginning January 8. Easter Choir rehearsals will begin on February 26 at 2:30 pm. As COVID precautions become less severe, I hope to see more of our Sanctuary Choir members return to rehearsals and to singing in church. Thank you all for your prayers and patience as we continue to recover from the past two years of restrictions, and as we look forward to a glorious and very musical 2022!

## Sunday School

*"Miss Susan" Villnow*

We opened by adding to our Gratitude Jar and talking about what Sunday School is. We crowned Him King with our crown and discussed where Jesus' kingdom is. We addressed that Jesus is coming again and getting prepared by saying our prayers, showing kindness, and going to church. Are you ready for Christmas? We talked about behaviors - good, bad, and in-between. We discussed the joy of Christmas and how the number of presents do not equal the meaning of Christmas. We concluded by acknowledging that giving is better than receiving. All are welcome!

## Dear St. Andrew's Family,

As most of you now know, soon I will no longer be the Parish Secretary as I have been accepted into Keiser University for the Diagnostic Medical Sonography program. It is a very intense program which will be very demanding but will ensure a good future for both my son and me.

I have enjoyed my time here serving all of you. St. Andrew's has always been my second home and my "church family". I am going to greatly miss working with such amazing, warm-hearted people on a daily basis. It is truly a gift to go to sleep every night knowing that you made a difference for someone each day at work. I hope that in my new calling, I will continue to do the same.

Geddy and I are so grateful to all of you and are honored to call you our friends. I'm not sure what my new schedule will entail, but whenever possible, you may occasionally see us at a service. We wanted to say thank you to all of you for your kindness, your acceptance, and your friendship through the years. We will miss you all!

Continuing on in His service,  
Lisa Jackson

## VESTRY QUESTIONNAIRE: SHERRI HAUN

Why do you want to serve as a Vestry member of St. Andrew's Episcopal Church?

St Andrew has given me so much that I would like to give back by being on the Vestry. I also have the time. I don't know what all the Vestry does but I would like to learn. If I could be the liaison with the Thrift store, because I work there and feel it is so important, I would be so happy. But is this isn't possible, I'll be will work with whatever area I'm am assigned.

What are your qualifications for this position?

I can be a people person when needed. I also have organizational skills. I have the time and desire to work on the vestry.

Tell us a little about yourself and your faith:

I grew up in the Methodist Church as did my husband. We became Episcopalians in our 30's. My religious journey has gone through many twist and turns but I'm still learning. I guess because I'm older, I feel that I might be getting the message. The one thing I know is that St. Andrew's is helping me get the message. I consider myself very lucky.

What do you love about our church?

I like the feeling of friendship when you enter the church and all the outreach programs, we have. With these programs a person can find something that can pique their interest. A person can do nothing at all which is alright. We accept each person as they are, which I think is great.

Are you able to be present for Vestry meetings on the third Sunday of the month at 12:15 p.m.? (this is our current schedule)

Yes

Are you able to be present for the Vestry Orientation Retreat the first weekend in February, Friday from 6 – 8pm and Saturday from 9am -3pm?

Yes

## VESTRY QUESTIONNAIRE 2021 : JANET CRISFIELD

Why do you want to serve as a Vestry member of St. Andrew's Episcopal Church?

I served on the Vestry several years ago. During that time I developed an appreciation for the many aspects of caring not only for the people of Christ who worship here but the logistics and administrative duties required to keep our beautiful campus and ministries functioning. Having had this experience I feel more confident to fulfill these duties.

What are your qualifications for this position?

Have experience serving on Vestry. Lifelong Episcopalian. Was a group leader for an Alpha program. Am a trained Stephen's Minister. Regularly attend the 4 pm service. Currently am facilitator / coordinator for the Pastoral Care Team. Church office volunteer. Member of the Daughters of the King . Served in various capacities in community groups/school activities while raising my children. I am a retired ARNP with a BS and MS in Nursing. My career experience involves caring for patients, management and administration, staff training and education, program development and research.

Tell us a little about yourself and your faith:

I was raised in the Episcopal Church. Worked for over 40 years in the Nursing Profession. Through life experience, my vocation and church life I have developed an awareness of God's presence in all things and situations. I have had the privilege to witness God's miracles at births, during crisis and joys and finally at the end of life on this earth. For this I am thankful and this sustains me.

What do you love about our church?

The parishioners and clergy. The energy and potential for growth. I feel we are now in a good position to continue to expand our knowledge and love of Christ to our community and those around us.

Are you able to be present for Vestry meetings on the third Sunday of the month at 12:15 p.m.?  
(this is our current schedule)

Yes

Are you able to be present for both the Vestry Orientation Retreat the first weekend in February on Friday from 6-8pm and Saturday from 9am to-3pm?

## VESTRY QUESTIONNAIRE 2021 : DONNA DeCOSA

Why do you want to serve as a Vestry member of St. Andrew's Episcopal Church?

I am hoping to serve in the vestry because I am interested in the church as a whole. Now that I volunteer for various responsibilities during the services, classes and being a DOK, I would like to participate in the continued growth of our church in years to come.

What are your qualifications for this position?

I care about others and reach out to people that I feel may need/ or I can see are in need of some comfort or attention. I've always done this; even when I was a teen.

Before moving to Florida, I was a part-time college Algebra instructor; I can work with others to achieve a common goal. Prior to academia, I worked in managerial positions in many different fields; this has given me a wealth of varied experience. I am proficient in streamlining procedures. I aim for consistency and quality.

Tell us a little about yourself and your faith:

I have always believed in GOD. Even from childhood, when life for me and my family was difficult, I prayed to GOD. I knew HE wouldn't ever leave me; he never has.

I NEVER LOST HOPE.

HE has filled my life with beautiful people.

I am interested in any thought, word or deed that places me in service to HIM.

I was born into the Episcopalian church, I expect to remain...cradle to grave...

## Praying Hands Pre-School

I was recently asked what type of ministry do we do for our pre-school kids and I didn't have an answer. We do the weekly food pantry to supplement their nutritional needs but what do we do spiritually. So after searching for an answer I came across these prayer bears that speak "Now I lay me down to sleep, I pray the Lord my soul to keep..." We all know this prayer that we taught our kids to say because we know that the Lord watches over us even while sleeping. We wanted these special kids at our pre-school to get the same message that the Lord is always with them.

If you have suggestions on how to spiritually serve our kids, please make your suggestions to me.

May God continue to bless you and his precious ones. Debbie Smith
