*Proclaiming Christ in the heart  
of Spring Hill since 1971*

**FROM THE  
RECTOR**

I want to thank all of you for the wonderful "Star Spangled Welcome" you gave my family and me on July 1<sup>st</sup>. You really made us feel welcome, and well fed. I'm starting to get into the rhythm of things here at St. Andrew's. And, I'm discovering all sorts of neat places to eat.

In the name of transparency, I want to share my circumstances here and what I see for the near future.

I am currently in the process of discerning what and where God's call for my ministry is. I am trying to be very open to the working of the Holy Spirit and am looking at nearly every opportunity that presents itself.

In May, the opportunity to come here came up. It was a quick turn-around process and neither I nor your vestry had time to do extensive discernment. What ended up being agreed upon is that I will be here as priest-in-charge until, at least, September 30. In that time, we will both continue our discernment, including the possibility that God wants me here. I will continue to be here until God's call is clear. Our agreement says that either of us can decide to go our separate ways with 45 days notice.

I don't know how long I'll be here, 90

days or 14 years, or anything in-between. What I do know is that while I am here I commit myself to being your priest and pastor. I hope that you will accept me even with the uncertainty our reality creates.

I will be in Spring Hill from Saturday afternoon to Wednesday afternoon each week. I am available anytime, day or night, whether I'm here or in Fort Myers by calling 239-980-4163. My email is: [bobhennagin@gmail.com](mailto:bobhennagin@gmail.com).

I can tell already that we're going to have fun and do ministry and spread the Good News of God in Christ. From what I've seen so far, we're going to eat pretty well at the same time.

Faithfully,

Bob+

**Rector Search update:**

 **Sr. Warden's Remarks**  
Betty Jo McCann, Sr. Warden

Parish surveys have been returned rather slowly. We distributed 423 surveys. The surveys will be tallied, any and all comments recorded, and these results will be distributed by mid-August.

The next step is to analyze the survey results. How does this differ from counting? And what is the purpose? Analyzing goes beyond counting. It looks at the responses from multiple questions to help form the overall need or desire of the parishioners. All comments are being recorded and will be published verbatim. From the analysis, a set of criteria can be formed that will become the directive for the diocese and the search committee when we move to the next step.

Thank you to all who have expressed a willingness to serve on the search committee.

St Andrew's received a very generous bequest. The vestry decided to 1) set aside the funds to cover the diocesan assessment on this bequest, 2) set an amount into a designated fund for major repairs of the future (ex. Air conditioner replacement, and 3) set a specified amount into a major maintenance/repair fund. Major repairs are defined as being greater than \$1000 in cost. You should begin to see the results of this last fund around the campus.

**WHO ARE YOU???**

As we welcome visiting clergy and more new members to St. Andrew's, remember: **THEY DON'T KNOW YOUR NAME!** To help everyone feel more comfortable please **WEAR YOUR NAME TAG.**

*Thanks and God Bless!*

**PS: If you need a name tag, email me . [Jack.standrews@earthlink.net](mailto:Jack.standrews@earthlink.net)**

## The Tool Kit

Harry Calderbank, Jr. Warden

Tropical Storm Debby resulted in dozens of downed tree limbs and branches all around our campus which were handled by Tom Beem, our sexton, with the assistance of Fred Dehn, the proprietor of our lawn care provider. Another thank you to Tom for a well-done job above and beyond his normal scope of responsibilities.

Damage was limited to some missing roof shingles along one of the ridges of the church building and a leak at the flat roof above the sacristy. Repairs have been effected and all is back to normal at this time.

Repairs to the ceiling in the Thrift Shop Kiosk have been delayed pending completion of the library air conditioner reconfiguration project.

We have had yet another problem with Krysher Hall's main a/c unit. Sections of copper line were deteriorated which resulted in a major refrigerant leak. The repair has been effected and the unit is working well ... or ..... until the next age-related problem occurs.

### Karen's Kit 'n Kaboodle's

**Christmas in July event** turned out to be a huge undertaking . It was possible due to the dedication and unbelievable work for eight long days by the shop volunteers. We experienced wonderful cooperation among the workers, Fr. Bob, Betty Jo, Cathy, Tom, Barbara, the Tampa Bay Times for their coverage and you, our parish family. We really appreciate your great support after church on Sunday. We made \$689.18 to add to the mission and outreach of St. Andrews, While we had hoped to earn \$1,000.00, we are grateful for the \$689.17 and thank you all very much

**FELLOWSHIP HOUR HOST/**  
**HOSTESS NEEDED:**

**Your gracious hosting talents are**

**so needed!!! Please choose a Sunday of your choice and sign up to serve. One time for now would be a tremendous help!! Remember, it is not necessary to provide a huge spread. We envision a snack to have with coffee and punch during our time of fellowship together. Cheese, crackers, a little fruit are all we really need. Thank you!**

## YOUTH UPDATE

THE FUTURE OF ST. ANDREW'S (our YOUTH) continues to grow in faith, love and fellowship throughout the summer months. Our goal of getting to "Rock the Universe" in Orlando on September 7 and 8 is getting closer. We need at least \$3,000 – as of this writing we've raised just over \$1,500. We have passed the half way mark, thanks to your support and generosity!

Attending this event is for some a once-in-a-lifetime Contemporary Christian worship and music experience. For others, they may have gone with us in 2009, or may go again another year – but each concert series is different, and each person who attends is touched by the hand of God in ways that we will only know when we go. The music and celebrity speakers are amazing – but

even more outstanding is the feeling of standing among thousands of Christians (of ALL ages) who are ONE in the Spirit, ONE in the Lord.

Thanks so much for your support so far – please help us complete our fundraising goal. As a reminder, there are several ways you can help:

✦ **Buy a Raffle ticket!** Drawing: Sunday Sept. 2. \$300 cash prize; \$150 cash prize; gift certificates to Home Depot, Hess, Cracker Barrel, Publix, Applebee's & more. Please ask your favorite local restaurants, hair salons, grocery stores, etc. to donate a gift card to our cause! Tickets available for a suggested donation of \$5 each or 6 for \$25.

✦ **Baby Sitting Fun Night** Friday Aug. 4, at the end of Vacation Bible School. Parents can drop-off children for some fun & treats from 5 pm to 9 pm. Suggested Donation: \$5/hour. PLEASE REGISTER in advance by calling the church office with your name, child's name, special dietary restrictions, allergies, etc.

✦ **Take STOCK** in our youth! Invest in OUR future by purchasing a Stock Certificate! Contact Betty Audette or Jody Bowes for details. Shares may be purchased via donation of \$10 per share (a bargain!). "Stockholders" receive periodic "Stock Reports" from individual youth ministry members letting you know how their Christian service, education and experiences (at St. Andrew's and beyond) make a difference in their lives.

✦ **Be a Sponsor!** Sponsor one or more young people to attend *Rock the Universe* by donating any amount. Cost per person is about \$150.

✦ **Be on the lookout for BAKE SALES** after Sunday services!

Our youth are faithful servants of God here at St. Andrew's, always helping with events or chores around our campus. Please support them as they work to earn their way to sharing in such a wonderful event. "Rock the Universe" tickets must be purchased before the end of August to get the discounted price. God bless you for helping our young people grow in Christian fellowship!

# St. Andrew's VPK, Preschool and Child Care News

Gerri Anderson, Director

Once again, the “dog days of August have arrived!” The children in our summer program are enjoying the balmy breezes of the morning on the playground under the wonderful shade trees on our playground. We have some daily “visitors” after we come back inside. The little squirrels who frequent our campus keep our playground under their watchful eyes for any droppings of our snacks left behind. We have named one little squirrel Andy! The kids get such a kick watching him wait for us to come inside so he and his buddies can investigate what they may find to eat!

We were very happy to coordinate our theme for the week of July 16<sup>th</sup>,

**Christmas in July**, with our Thrift Shop’s Christmas-in-July sale. Each of our children came to school with their very own money so we could take them to the sale on Friday, the 20<sup>th</sup>. They love having “little field trips” to the Thrift Shop every now and then, and Pat Trama is always happy to oblige. Thank you, Ms. Pat!

It is hard to believe that school will start in three short weeks on August 20<sup>th</sup>. We are off to a good start enrolling new VPK (voluntary pre-kindergarten) and preschool children to our school which will be celebrating our 39<sup>th</sup> anniversary in September. Remember to be ambassadors for us to the community telling them of our wonderful school for 3, 4, and 5 year-

old children. Remember, VPK is **free** for all Florida 4 year olds who turn 4 on or before September 1, 2012. The program is state funded, and we receive our reimbursements from the state as we are a provider of this worthwhile program. Our three-year-old children attend at a fee in our K3 program which is a private pay program by the parents. VPK children who stay longer than the three-hour state-funded program stay at a fee paid by their parents as well. Anyone interested in our preschool should contact Gerri Anderson at 683-7013. We are open every day from 7 a.m. to 6 p.m.

*Gerri Anderson*

# THE OLD TESTAMENT

By Ludwig J. Wallner

Seventh of a series on the **Bible**, helping us to develop a better understanding of Bible writers, locations and themes of the various books.

Last month we covered the first half of the "Writings" of the Old Testament. This month we will cover the section usually referred to as Poetry. This section gives us a presentation of Israel's worship of the Lord their God and of individual faith. This section, along with last month's (History), covers the entire portion of the Old Testament known as the "Writings." This information is taken from "The Nelson Study Bible" (New King James Version).

BOOK	THEME	AUTHOR	DATE
Job	God tries His servant	Unknown	Uncertain
Psalms	God enjoys true worship	David, Asaph, Sons of Korah, Solomon & Moses	1410-430 BC
Proverbs	God teaches true wisdom	Solomon, Agur & Lemuel	950-700 BC
Ecclesiastes	God unveils our Finitude	Solomon	935 BC
Song of Solomon	God extols human love	Solomon	965 BC

## CHOIR BEGINS AUG. 23!

The coming program year promises to be an exciting time for worship at St. Andrew's. **Calling all music lovers** to be part of a very important praise program: St. Andrew's Music Ministry. Many who come to worship are touched by the music that is woven into our services. *Is it time for you to be part of this ministry?* Talk to Jody Bowes, our Minister of Music. There are lots of ways for instrumentalists and vocalists to praise God through the creative gifts we've received. Our choir rehearses every Thursday from 6:15 to 8 pm. Got an idea for something creative? Let's hear it! Our ears and hearts are always open.

## EDITOR'S NOTE

This issue of *The Chimes* is the first one prepared by your new editor. Through the July 2012 issue *The Chimes* has been prepared by our Music and Youth Minister: **Jody Bowes**. Unfortunately, her time constraints have forced her to give up this task, which she has so ably done since her arrival at St. Andrew's. In a weak moment, I had told Pr. Shanda and Betty Jo that I would be willing to take up some of the load that Jody was carrying. The parish web site was the first task I took on, initially with the help of two other parishioners. Unfortunately, my two helpers were not able to continue in their roles so I have been working solo. The web page is nearly completed, needing a few tweaks, some editing and updating of some content.

A short while ago our Senior Warden informed me that Jody would not be able to continue to edit *The Chimes* after the completion of the July issue and reminded me that I had volunteered to take up the slack. So here we are. This issue is a rough version of what I would like *The Chimes* to be, but we all have to start somewhere. Feel free to offer whatever critique you feel necessary. I also implore you to provide me with any advice and assistance you can. I also invite anyone in the parish who would like to contribute to this publication to do so. Hopefully with God's help we can make this a growing concern. I plan to be available in the church office every Monday from noon to 2pm. Please email me at [jack.standrews@earthlink.net](mailto:jack.standrews@earthlink.net). If you are emailing content for the publication, please attach it as a Word document. There is also a box behind the receptionist's desk in the foyer of the church office for anything you want to submit. Deadline for September issue: August 23rd.

Thanks for your patience,

Jack Gardner, hereinafter called Ed.
