FROM THE RECTOR

When I was a kid, my father always had a station wagon. In the early days, you may remember, there was a seat in the very back that faced backwards. Being the youngest, that became my very own seat.

I loved sitting back there. I was alone. I could read without my sisters bugging me. Sometimes I couldn't hear the conversation up front, so when someone was trying to get my attention, I could pretend I didn't hear them.

One thing always bothered me. I was always looking backward. I didn't see things until they had already passed us by. I couldn't say, "Let's stop here" because it was already gone.

You see, I was always looking backward. I only saw things from the past. I couldn't see what was coming, and I couldn't join the conversation about where to go. Eventually, my sisters moved on and I could sit in the back seat looking forward. I could see what my parents were seeing. I could suggest places to go before we had passed them. If I wanted to see

something we'd gone by, I could turn around, but mostly I looked toward what was coming in the future. I really felt a part of the journey.

Have you ever thought about the fact that God created us in such a way that our eyes point in the same direction as our feet? Can you imagine the chaos that would reign if our face pointed the same way as our back-side?

Remembering where we've been is good. It helps us learn what to look for ahead of us. But, looking backward can blind us from the amazing things coming up. It also can cause us to bump into things that could be easily avoided.

We can't do anything about the past except learn from it. If we live in the present with our eyes, feet and hearts facing the future, we can prepare for what is coming and anxiously look forward to where we want to be.

Our Junior Warden is travelling and will have no report for September. We are replacing his column with a brief report on our:

SEPTEMBER WORKDAY

On September 15th at a call from Father Bob, over 35 parishioners gathered at the church for a Work Day to clean up and refresh our beautiful campus.

Nearly half of those attending were the youth of our church.

The work these young people did was awesome. They were disciplined, hard-working and willing to assist wherever they were needed.

Work accomplished includes: cleaning the gutters and blowing of the roofs of all the buildings; washing the outside of all the windows in our complex; trimming bushes and weeding plantings; digging out and replacing mulch. Much was accomplished, but more still needs to be done. Look forward to volunteering at the next Parish Work Day to be announced.

We wish to thank all the adults and your who gave up their Saturday to help clean up our parish campus.

A special thanks to Buddy and his crew for cooking us hot dogs and hamburgers and to all the kind folks who donated salads, desserts and other goodies.

A special thanks goes out to our Sexton

Tom Beem who came in on his day off and donated his Saturday to the cause .

Karen's Kit 'n Kaboodle

The Thrift Shop tried to notify all that the shop was to be closed over the Labor Day weekend and that the store hours would continue to be 10AM to 4PM throughout the year. Because of a computer glitch, the Chimes editor did not receive the notice so we are trying one more time. In addition to the above information, you'll be pleased to know that as of Sept. 8th the shop is open Saturdays since tradition dictates that summer is over.

Saturday hours will also be 10 -4.

As of Sept. 8th there is a new Assistant Manager at Karen's Kit 'n Kaboodle. Karen Schneider is the new Asst. Mgt. She has been a long time devoted, dependable volunteer and on the Board Of Directors for the shop. Rich Kovacs is continuing to be the General Manager. Pat Trama has resigned. Having volunteered at the shop for 9 years and having been Asst. Mgr. for 5 years, Pat feels she has run out of crisp ideas and the spark it takes to be a successful manager. She wants the shop to benefit from new blood and fresh thinking and thanks Karen for taking on this responsibility.

Friends of the Library

We would like to invite all interested parishioners to join The Friends of the Witt Library at our first meeting of the 2012 - 2013 season in the library on Tuesday, October 9th. For those who would like to have fellowship with each other, bring a bag lunch at 12 noon. We will start our business meeting at 12:30 with Joanne Lillpopp, President, presiding. At approximately 1:30 we will take a short break and then our Book Club will begin. Joanne will facilitate the discussion of Caleb's Crossing by Geraldine Brooks. This historical novel is a current best seller and a popular pick by book clubs. We will finish promptly by 2:45. If you would like to join in the conversation we would welcome your participation. It's always interesting.

Happy Reading,

Sally Cloughly

Thank you Note

Today we received in the mail an acknowledgement that a tree has been planted in one of our National Forests in honor of St. Andrew's Episcopal Church and its parishioners. This gift was donated by Jack and Suzanne Bland who recently moved to a senior community in Sarasota. The notification was accompanied by a note from Jack & Suzanne. We quote ...

"Dear Friends,

Moving on and out is so hard to do. That's just what Jack and I have been up to for a month. No goodbyes, just 'We'll see you again, we know it.'

To try to put into words how much St. Andrew's has meant to us in for someone more eloquent than me. Let's just say we love it (the church, grounds, and memorial gardens) but, it's the people that stand out— A lovely group of Christians that have been such a pleasure to know.

We hope that you all and our dear church go on forever spreading the 'good news' to the people everywhere.

It has been so nice to be with you.

Geri Anderson, Director

I have had gracious offers from a few parishioners that "if the school is in need of things for the children, just let me know." Thank God we have been successful in keeping our costs down, but due to our budget constraints, there are several things we need but cannot afford. . . . so here comes our Wish List:

WISH LIST:
2 TRICYCLES

2 CHILD-SIZED WAGONS TO PULL
2 CHILD-SIZED GROCERY CARTS
TO PUSH
COMBINATION RECORD PLAYER
CD PLAYER

(We have vinyl records we can no longer play.)

Subscription to *Weekly Reader* for our 20 VPK students for the entire school year - cost \$100.

Thank you, everyone, for helping the children in our school. If you can donate any of the items listed above, please contact me at 683-7013 each day from 7 a.m. to 6 p.m. I am sure stores like Wal-Mart and Target carry all of the first four items above. Your support of our school has always been a blessing to us. Thank you from the bottom of our hearts.

YOUTH REPORT

ROCK THE UNIVERSE REPORT

ORLANDO - Thousands of Christians from across the country attended Universal Studios' "Rock the Universe" Christian Music Festival on September 7 - 9, 2012. About 30 of these pilgrims were from St. Andrew's in Spring Hill. The highlight of the weekend were the concerts by some of the biggest names in Christian rock music, including Skillet, Newsboys, Jeremy Camp, Family Force Five, For King & County, Robert Pierre, tobyMac, Switchfoot, Relient K, Tenth Avenue North, Group 1 Crew, Britt

Nicole and others. A candlelight ceremony after the final concert on Saturday night was the crowning jewel in the weekend's events.

Our group enjoyed the music, rides and fellowship that was made possible through their fundraising efforts and your generous support. Jesus rocks!!!

GOING FORWARD: YOUTH GROUP FOCUS

As we move into the 2012-2013 Program Year, our youth focus turns to service. We supported St. Andrew's recent Work Day, helping with chores around our

campus. We have been contacted by the Arc Nature Coast to help with landscaping at several of their group homes: with state budget cuts, they no longer have the funds or personnel to maintain the properties around these facilities. We have pledged our help! We are looking into Diocese-sponsored mission work, and are looking at local community-based service projects. We welcome your ideas. Contact Jody Bowes or Michelle Traudt with your suggestions.

CHRISTIAN FORMATION & EDUCATION

Christian formation & education is a life-long process and is offered in the Anglican tradition of seeking the truth from diverse viewpoints, even as our relationship with God through Jesus never wavers.

Different viewpoints may be represented at different times.

The Old Testament

By The Rev. Dr. Ludwig J. Wallner

This month brings us to an end of a journey through the Old Testament which we started in January. The last section of the Old Testament is referred to as "The Prophets". This section contains 17 books. Many of the books are very familiar to us because many Sundays we hear a portion of these books read to us, while many are rarely heard. One of the reasons for so many books being included is that the Hebrews understood that prophecy to be the forth telling from God as well as foretelling. Secondly, the term "prophets" stands as an overall title for an entire section of sacred writings even though some books may not be of a predictive nature.

The "Prophets" provide the Lord, God of Israel's revelations of His blessings, judgments and promises.

Vestry Nominations

Can you believe it is time to think about vestry nominations again? Each year 3 members of vestry are elected at our parish meeting in January to serve 3 year terms. If you are interested in being nominated for vestry - or you know someone whom you think would be, please contact any vestry person.

Vestry members must be confirmed or received, and full members of St. Andrew's Episcopal Church. They must be regular in attendance, faithful in stewardship of time, talent and resources, and able to attend meetings on the third Tuesday of every month.

They must also be available for the Vestry Orientation Retreat the first Saturday in February.

Nominees will be asked to complete a short bio which can be published in the Chimes prior to Annual Parish Meeting in January.

August like July is also a difficult month for the church. It is important to keep pledges current during the summer months. If you can add a little more of your pledge now, it always helps.

* July and August are difficult for the School. Tuition payments decrease and VPK (a state funded program) won't resume payments until September, which will be received in October.

The Thrift Store continues to do an outstanding job thanks to all our volunteers.
