CHIMES

May 2014

FROM THE RECTOR

Dear Members & Friends of St. Andrew's,

May is probably one of the most beautiful months of the year. Spring has sprung and the flowers are blooming, the breezes are delightful, and the sun is warm; it is not quite as hot as it will be in the summer, but it is just warm and pleasant. Spring is full of promise and new life. And coincidentally enough, that is what Easter season is all about, it is all about promise and new life.

The promise of springtime in the world relates to the new growth and the potential harvest that growth may potentially bring. The new life is the life that is springing up around us in the plants and birds, and other creatures.

Easter season also relates to promise and new life. In Easter the potential does not have anything to do material gain, unlike spring's promise of large harvests. In Easter our potential harvest is a spiritual harvest based on the power of the resurrection of Jesus. Because we are told in the Scriptures that resurrection power is the same power working in us! The power that brought Jesus from death to life is what is strengthening us to change and become more like Jesus. That power is there to help us grow into better servants of the Lord and better servants to each other. So the promise of Easter season has to do with changed lives, changed attitudes, even and perhaps particularly changed life directions.

Easter season has also to do with new life. Just as Jesus returned from death to life, we also move from death to life. The Apostle Paul tells us in his letter to the Ephesians that we were dead in trespasses and sins but we were made alive together with Christ, raised up with him and seated with him in heavenly places. All through the New Testament we are told about this new life. Jesus talks about it in terms of being "born again" to Nicodemus. Peter talks about it in terms

of precious metal being purified in his first letter, in his second letter he talks about it in terms of escaping slavery. John talks about it in terms of coming into the light from out of darkness. Paul talks about it in terms of a tree, in terms of a body, and in terms of a building.

So it is really kind of exciting, isn't it? As we look around us and see the plants growing new sprouts and as we see eggs appearing in nests, and the little ducklings following their mommas, we know that we can expect God to be bringing His life to grow in us. We can ask for his strength to change bad habits and overcome hard times and know that His resurrection power will be given to us to help us. Whatever picture of new life may apply to us—the being born again, the precious metal being purified, the escaping from slavery, the coming into the light out of darkness, the growing and sprouting leaves or being rooted as a tree, the growing up from a child's body to an adult, or finally the being part of a building that is being put together—reflect on that picture and apply it to yourself and your life this month and grow! Sprout! Show the signs of new life in your life.

Pray that God would continue to strengthen and grow not only your life, but continue to pray also that He will continue to strengthen and grow us as a church here at St. Andrew's!

Warmly in Christ,

Fr. Lance+

Sr. Warden's Remarks

Loa Jackson, Sr. Warden

Happy May Everyone! Wow, did we ever have a great Easter Season. And to top it off we had a great attendance for all the services. Also, it was great to see all the children that came for the Easter egg hunt. We adults had as much fun as they did just watching them. So wonderful to share the season with you. Just as it is great to see you all every week! Fr. Lance is getting our

attention with his "One liners", especially with the one... "But wait there's more".

We are all looking to May now. And it will be busy first weekend. We will be voting for our proposed addition to close in the Narthex and remodeling of the restrooms at each service this first weekend of May 3rd and 4th. Hope to see as many as possible to let us hear from you. Also, we will be selecting an additional vestry member soon. So if you can attend one of those services, you can cast your vote. "But wait there's more" ...to be continued next month. See you in Church.

Loa Jackson, your Sr. Warden.

The Tool Kit

Rick Pederson, Jr. Warden

Greetings Fellow St. Andrewians,

As this Holiest of seasons is upon us, we have so much to be thankful for, in both our Christian lives and our church life. We are converting our "Old Gift Shop" into our "New Choir Room" – thanks to much better climate control it will be better for storing robes, music and hymnals. It will also be a more convenient place for the choir to get robed and prepare to sing for the Lord.

Our Spring Clean-Up was a wonderful success. We had over 37 volunteers, including 10 Boy Scouts (without them, it would have been a much more daunting task) and at least 27 church members (some people did not sign the sign-in sheet). We had everything on our 'To-Do' list completed by noon; so we had lunch (yummy hot dogs), visited awhile and called it a day. A HUGE thanks and pat on the back for everyone involved!!! And for those of you who missed ... there's always "Fall Clean-up" ... I'll be looking for you!!

Our "vision" is becoming a little more focused. Most responses have been very favorable. I hope this is something we move on,

Continued from page 1 ...

because I think it will help entice more young families to become involved in St. Andrew's. I think we all want to see St. Andrew's grow and we need young families to help that wish along.

In God's love,
Rick

YOUTH GROUP

Several of St. Andrew's youth recently attended *New Beginnings #55* for grades 6-8 on March 21-23. In this ministry, high school youth minister to middle school youth. *New Beginnings* listens to and challenges today's youth to be positive about themselves, their families and community, and reminds them we are all children of God; they are special and loved; are more than a conqueror; and that there is nothing that they cannot overcome with Christ.

Youth Recognition Sunday is May 18. We will recognize our Sunday School participants and teachers, and wish our graduating Senior, **Brittany Traudt**, much good fortune as she begins the next chapter in her life. Brittany will be speaking at our worship services that weekend.

Just a reminder that The Diocese of SW Florida is looking to hire **camp counselors** for three weeks of summer camp at Day-Spring Conference Center in Parrish. MUSIC NOTES

THANK YOU to everyone who made our Palm Sunday, Holy Week and Easter services even more special by adding their musical gifts to our worship. Our choir members' dedication is second to none, and the anthems we presented added to our

worship and were very well received. Special thanks to Loa Jackson for playing flute and piano (especially on Good Friday, Palm Sunday & Easter), to Jerry Niedurny for his contributions with the beautiful Native American Flute, to Pete Jackson for his guitar accompaniment on Maundy Thursday and to Jamison Webster for playing guitar at Communion.

As our choir prepares for a well-deserved hiatus, I hope you are thinking about singing or playing at a worship service over the summer months. God is good!!

SERVICE for DEACON MARY WILLOW

The Requiem Service to celebrate the life of The Rev. Mary Willow is **Tuesday, May 6 at 10:00 am** in our Sanctuary.

Those who knew Deacon Mary will no doubt have many wonderful tales to tell at the reception following the service, in Krysher Parish Hall. Those who know only of her legacy will surely enjoy hearing about her ministry.

DONATION RECEIPT

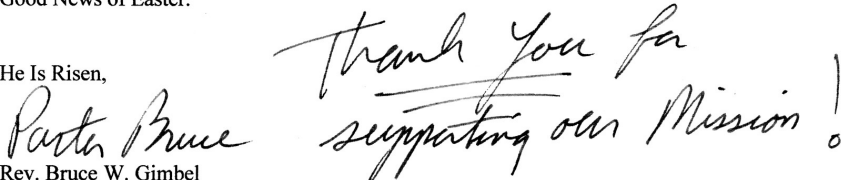

Dear St. Andrew’s Parish,

The Christian can find great comfort in knowing that God has done for them what they could never do for themselves. God has taken the punishment for our sins upon himself in the crucifixion of Christ. By His shed blood we are healed. This is the reason we celebrate Easter. It is a time to focus with greater emphasis on the goodness of God’s sending His Son to die on the Cross of Calvary for our sins. It is a somber celebration of freedom we have because of God’s grace and mercy towards us in Christ.

The good news for our clients is that Christ Jesus has taken away their punishment as well. No longer do they need to carry in their hearts and minds the awful scars of guilt, rejection and sorrow that sin creates. Forgiveness is available to them, too. This is the healing message our clients hear throughout the year. For many, it becomes the first steps towards freedom and wholeness in their hearts and lives.

Your donations of 746 pounds of food this quarter will assist us in telling our clients that God’s love does extend to them. Because of your gift, the men and women in our shelter will have the opportunity to be healed by God’s spirit of love. They will be able to begin learning to live a new life with God’s specific purpose for them leading the way. They have an opportunity to live free of their past and live to God’s glory.

Your faith and trust in God’s power to work through our staff will mean that many men and women will have the opportunity to share in the saving power of Jesus Christ. That’s the Good News of Easter.

He Is Risen,

 Ministry Chaplain
