FROM THE RECTOR

Dear Members & Friends of St. Andrew's,

Although Easter Sunday is now behind us, we are still in the season of Easter and will be for most of the month of May. Every time we have Holy Communion in this season I say or chant the proper preface for Easter. This comes at the beginning of Holy Communion right after you say, "It is right to give him thanks and praise." I say a few more words and then the following: "But chiefly are we bound to praise you for the glorious resurrection of your Son Jesus Christ our Lord; for he is the true Paschal Lamb, who was sacrificed for us, and has taken away the sin of the world. By his death he has destroyed death, and by his rising to life again he has won for us everlasting life."

This is a remarkable prayer. We say here that of all the things for which we praise God, and of course, there are very many, the chief thing is for the glorious resurrection of Jesus Christ. Typically we thank and praise God for our daily food. We thank and praise God for health and his help throughout our days. We thank and praise God for our family and friends. We thank and praise God for our homes, our jobs, and our community. But do we really thank God for the resurrection of Jesus Christ? I mean outside of church? If in fact, it is the chief thing for which we praise God we really ought to be thanking him and praising Him for it even outside of church.

I think one reason we typically do not praise and thank God for the resurrection is that we simply take it for granted. It is an historical fact. It is something we had nothing to do with, and it seems that it has nothing to do with us now. And I suppose in a sense that is right. We had nothing to do with the resurrection any more than we

had anything to do with our own physical birth. But in the same way we ought not to take our own lives for granted but we ought to be thankful for our creation; in that same way we need to remember what God did for us in and through the resurrection of Jesus Christ and be thankful.

It is through the resurrection that we have peace with God—we have been reconciled with God; our sins are no longer between God and us. (Jesus is the true Paschal Lamb who died for our sins.) We also have been made into new people, a new creation through Jesus Christ and his resurrection. We have this new life which is an eternal life again through his resurrection. Do you see where this leads? Everything about our Christian life is dependent upon the resurrection of Jesus Christ. THAT is why we are chiefly bound, obligated, to praise God for the resurrection.

This is one of the main reasons that during this season we say, Alleluia, alleluia, alleluia! Because it is this season we especially remember and thank God for glorious resurrection of our Lord and Savior Jesus Christ.

Warmly in Christ,

Fr. Lance+

Sr. Warden's Remarks

Loa Jackson, Sr. Warden

Hello everyone and welcome to May! The first day of the month of May is known as **May Day**. It is known as the day summer arrives. We don't have a Maypole to dance around at St. Andrew's, but we do have our **Ministry Fair on May 3rd**. We will have information on the many ministries that St. Andrew's offers.

Can't Sing? Can't teach Sunday School anymore? Don't feel you can commit to full time service? There are many ministries where your time and/or talent are needed. Wondering what these would be, or how much time? Come to Krysher Hall on Sunday May 3rd. We will get you an answer to any inquiry you have and help

you see what ministries you can join where you will feel good about lending a helping hand. Looking forward to seeing you ... See you in Church.

Loa Jackson, your Sr. Warden

The Tool Kit

Rick Pederson, Jr. Warden

Greeting fellow St. Andrewians,

As I hope you have all noticed, all of the sidewalks, the concrete patios, and the playground toys have been pressure washed. Evergreen Pressure Washing gave us a great price and did the entire job for \$425.

We had a very successful Spring Clean-up in March. Thanks to all who participated, once again we especially appreciate the Boy Scouts. We had all our tasks completed by noon, just in time for lunch. And this year we actually had some welcome "non-workers."

You may notice something new in the church, the screens for our projection system have been installed. So it should not be long before the projectors are up and we'll be off and running!! Of course it will take a little bit of time to do some adjusting and tweaking.

As you all know, in my past Chimes articles, I've closed almost every time with "we are moving forward with the New Addition." I know that despite that some of our parishioners are wondering, "Hey, what's going on?" So, here is a brief history of what has happened and what is going on right now. About 15 months ago Fr. Lance was thinking of a "Cry Room." We were seeing too many young families come for a couple times, the baby would fuss, one of the parents would step out of the church, and then we would never see them again or families have their children baptized and that would be it. So I said that I've known an architect for about 10 years maybe we could start

Continued on next page ...

with him. We spent quite a bit of time meeting and talking with him. We got some great ideas and some very helpful drawings. Things seemed to be going really well. However, we came to find out that he had misrepresented a few things about his qualifications as both an architect and a contractor. After a Building Committee was formed, with Grant Tolbert, John Crouse and Pete Jackson they became aware that something was amiss with the drawings and the price. The person we had been working with became angry, to the point of threatening legal action, and decided he no longer wanted to be involved. This put us back at square one, it was also very disheartening. However it became another indicator that The Lord was watching over St. Andrew's, as the person we were working with and a couple of the contractors he used went bankrupt! This could have been a disaster for St. Andrew's. We may have ended up with a partly done project or even something worse. So, The Lord was truly watching over us.

As we stand now, we have 2 legitimate bids from 2 local area contractors. We also had 2 contractors that said the job was too small for them. As of the last Vestry meeting we have chosen the one we'd like to work with. I will let Fr. Lance bring the details to the Congregation.

In God's love,

Rick

FRIENDS OF THE LIBRARY

OCTOBER thru APRIL:

2nd Tuesday of the month at 12:30 pm

Next meeting: Tuesday, October 13th

Summer is a wonderful time to read a book or two. Within your St. Andrew's Krysher Hall library there is a treasure trove of reading material for everyone's interests. Please come, relax in the quiet and cool of the library. Choose a book to read there or take home. The key to the library is kept in the office. And don't forget to check out the carts of books for sale outside the library: \$1.00 for hardcovers and 50¢ for paperbacks.

BOOK OF THE MONTH

The following books are on the shelf under the 'Book of the Month' sign. Our May Books of the Month include updates of ground-breaking classics of the psychology of religion.

It would be difficult to find these books anywhere else in Tampa Bay, yet they help us to move beyond pre-confirmation adolescent understandings of religion toward a useful adult faith:

Contemporary Varieties of Religious Experience by Lynn Bridgers. This book analyzes William James' insights into religion, psychology, and spirituality in the light of contemporary research.

Becoming Adult, Becoming Christian by James W. Fowler. For decades Fowler's research on faith development has been translated into dozens of languages because it correlates growth of the spirit with growth of the person as a whole.

Your library is open Sundays before and after worship and during the week. If the door is locked, the office has the key.

ST. ANDREW'S BOOK CLUB

OCTOBER thru APRIL:

2nd Tuesday of the month at 1:30 pm

Next meeting: Tuesday, October 13th

We ended our year with a luncheon to honor and say good bye to long-time member **June Ainey** who is moving north. Thank you June for all your time, work and involvement which has helped to make the Witt Library a successful ministry of St. Andrew's.

Join Us in October . . . All Are Welcome!

SUMMERTUNES

Jody Bowes, Minister of Music

It's almost June! Our choirs will be on "Summer Break" and we will be having fun with some **new music!**

This summer we're going to try a "Gospel Chorus" that will meet **Saturdays at 1 pm** in June. We'll see how participation is and go from there. There is NO music reading required for this adventure: just a love of contemporary & Gospel music. If you play guitar, keyboard or percussion come lend a hand. Our first rehearsal is **Saturday June 6 at 1 pm** in the Sanctuary.

We also need **Summer Soloists**

(instrumental or vocal) to share your music with our 10:30 am services beginning Sunday June 7. This is a chance for you to do something musical that you can't do on a regular basis throughout the rest of the year. Contact me (leave a message in the office or email me at JBowes001@aol.com) and we'll pick a date for you to share your love of music with your St. Andrew's family. I'm always happy to work with you if you need an accompanist or just someone to help you practice.

BEREAVEMENT

Submitted by Barbara Ingram

Our Bereavement Ministry provides comfort to parishioners who have suffered the loss of a loved one. This ministry puts together a reception following a funeral service. For those who have need of such a reception, please call the Church office at (352) 683-2010.

FELLOWSHIP HOUR

Submitted by Barbara Ingram

We can incorporate other events in with our fellowship Hour. **Doris Derer** and **Paul Zahniser** recently celebrated their 90th birthdays during our Coffee Hour. We had a wonderful time.

We need people signing up to Host for the months of May through December. Remember our visitors and friends who come to worship with us. We want them to feel welcome in our Church. Friends, it does not have to be a lot, just two small fish and five barley loaves; with it include coffee, tea, fruit, beverages and maybe some pastries for latecomers. Please select the date you would like to Host. A yellow pad is on the table where the food served, for signing up purposes.

FAYRE GAME

Submitted by Ester Marion

"The New Canterbury Festival" is going to happen! Reserve the date:

Saturday, November 14, 2015 from 8 am to 3 pm.

The focus of the festival will be **Food, Fun & Family.**

At our meeting on April 12 we outlined ideas including arts and crafts and children's tables, food, bakery (roll out the pie and cookie dough!), hot lunch, a book fair, gift basket raffle, Christmas items, jewelry, entertainment, silent auction, an Information Booth, and maybe booths representing wellness services in our community.

In addition to donating crafts for St. Andrew's to sell, the Festival is a great opportunity for you or someone you know to display and sell your special crafts.

There's still time to get YOUR ideas in, but Fall will be here before you know it, so get on board the Festival Train now!

We need **lots of volunteers** to help with publicity, procuring raffle items or getting participation commitments from local businesses, setting up & cleaning up for the event, managing Festival parking, etc.

Our **next meeting** is **Thursday, May 7** at **8 pm** in the Krysher hall Library.

Call Ester if your can't make the meeting but want to be included in the planning. You can leave a message for Ester at 352-442-2038 or email Jody Bowes at JBowes001@aol.com with your suggestions and/or your availability to help.

OUR ADDITION: MOVING FORWARD

Submitted by Fr. Lance

Dear Friends,

Have you ever heard the phrase, "one step forward, two steps back?" Well, this is how I feel about the progress of the addition for our church. Or at least how I felt it was progressing, but now it is more like "two steps forward—one step back."

As most of you remember, I came to the church a little more than a year ago asking for your support to build an addition to the church. This addition was to build a room in the area where one of the fountains is located, the one on the east side of the bridge. This addition would also enclose the narthex area and provide a much-needed renovation for the

bathrooms and even add another bathroom which would be wheel-chair accessible. The designer who had drawn up the plans told me and our vestry that this project could be accomplished for \$87,000. This is the information I brought before you and asked your permission to refinance our existing loan for Krysher Hall and combine the two, making the monthly payment less than what we were currently paying. The amount included money which had already been raised. You, the members of the church accepted this and while the vote was not unanimous more than 90 percent of the congregation was in favor of the project.

We were ready to rock and roll! The vestry and I established a construction committee including Grant Tolbert, John Crouse, and Pete Jackson. As per Diocesan guidelines the construction committee put this project out for public bid. When we did this, though, the man who designed our addition, instead of submitting his bid took us into litigation. We are still uncertain why. We spent a number of months in negotiation between his lawyer and our diocesan lawyer but finally at the end of January, 2015, we agreed on an amount to pay him of \$4001.00 for the plans he made for us and sent him the check. So then it was back to getting bids again!

Now we have our bids. That is the good news. But the bad news is that they are much higher than the \$87,000 the first person had told us. The lowest bid is around \$150,000. We currently have \$110,000 set aside for this project. This amount was wonderful when we thought we needed \$87,000. But now with the estimated costs of \$150,000, we are \$40,000 short. I will be returning to the congregation to ask for your permission to go forward with this project. The ground shifted underneath us and I do not want to try to go forward without providing you with the full informa-

tion regarding the changes in the cost of the project and once again asking for your full approval.

When we first started talking about this project a year and half ago, we raised over \$45,000 without a capital fund drive; people simply gave over and above their normal giving. We had dollar gifts of tens, twenty-fives, hundreds, and even thousands. It was truly amazing and exciting. I am coming to you again for this kind of help. Would you please prayerfully consider whether you would be able to contribute towards this project again?

Warmly in Christ,

Fr. Lance[†]

Once again, these are the reasons we would like this addition:

Primary purpose of the project:

To make our church more young-family friendly: In today's world young families do not typically drop their babies or very young ones off in another building. I would like to have a place attached so young moms and dads (or grandmothers and grandfathers) can bring a fussy child into a room adjoining the church and still feel part of the service while their child would be able to move around and make noise, without distracting or disturbing those around them.

Secondary purposes:

1. Having an enclosed narthex will enable us to converse freely without disturbing those folks who are praying before the service in an air-conditioned environment. With our hot, muggy days, people right now are anxious to get out of the heat (or chill, or wet) to get into the coolness of the church.
2. An enclosed narthex will also enable us to leave literature, nametags, and notices out without being ruined by our Florida weather.
3. Bathrooms are in desperate need to be renovated and they are embarrassing to have visitors use. Currently our bath-

rooms have a damp musty odor because they are not air conditioned. The counters, sinks, and toilets need to be replaced. Unfortunately these are bathrooms our visitors use. Typically we don't use them; we use the ones in Krysher Hall.

4. Having a multi-purpose room would be great. This room could be used in a number of ways such as:
 - Adult Formation Classes Saturday after the 4 pm services
 - For weddings it could be used for a Bride's changing room.
 - During funerals it could be used as a family room.
 - It could be used during the 10:30 service to have our sitters watch the two- and three-year-olds
 - It could possibly be used by our choir as they do their warmups before the service.
 - It could also function as a small chapel.
5. We also need a bathroom that is handicapped accessible. We have a number of parishioners who are wheelchair bound.
6. The addition would have a renovated and adequately air-conditioned room for the back-pack ministry in which to work and store their supplies.

BREAD MINISTRY

This will only be a quarterly report, because I get a letter from Jericho Ministries each quarter telling us how much St. Andrew's donated for that particular quarter. For the first quarter of 2015 [Jan.— Mar.] St. Andrew's and Panera Bread donated **791 pounds** of food to be distributed to those in need.
