An Ancient Faith for a Modern World

January 2018

From the Rector

Dear Friends,

Calendars are a fascinating study. We are beginning a new calendar year this month—Happy 2018! We began a new church year at the beginning of December and we are now half-way through our program year. At the end of this month we have our annual meeting and then our church budget year begins. Calendars are ways we use to mark off the time in our lives. We see in the Scriptures that calendars are gifts from God. He gave us ways to mark time through the seasons, through the movements of the moon and through the changing of the stars in the night sky. It is important to make marks in time for us so that we make time for celebrations, we set a time to reach a goal, and we make time to remember God. If we did not have calendars, all days would be the same and that is not what God wants for us. That's why he had the ancient Hebrews have one day a week as a holy day. Every week they were to set that one day aside; they were to treat it differently than all the other days of the week. On that day they were to spend time with God; they were to spend time relaxing; they were to spend time with each other. Then throughout the year God had his people set other days aside for special purposes. We do the same thing still, don't we? It is important for us to set time aside to worship God, and to celebrate as we achieve our goals.

Speaking of making time for celebrations, every year on the first Sunday after Epiphany we celebrate our church's birthday. Now Betty Audette has told me that actually our official birthday is not the first Sunday after Epiphany, it is on June 29th. We were officially formed by Bishop Hargrave on that day in 1971. Yet, we celebrate in January because everyone is here in January. If we were to wait until June 29th not only would all our snow birds have flown away, but many of our year-rounders are on vacation and out of the area. This year for our birthday we have much to celebrate! This year, God has blessed us through a gift from

Shirley Smith to pay off the rest of our mortgage! Therefore we will have a mortgage burning celebration on January 7th along with our honoring of our volunteers, our Volunteer of the Year, and clergy anniversaries. To help us celebrate, Canon Anne Vickers, the diocesan CFO will be here to officially burn the mortgage! I hope you will plan to join us!

Another purpose of calendars is to help us make goals. Our Vestry makes goals every year at the annual vestry retreat. Our retreat takes place the first weekend of February and we spend time Friday evening and Saturday together talking and making goals for the year. Over the years we have planned for physical needs of our church, the projectors and screens, the narthex, the pews, and most recently the sacristy. We plan for spiritual needs as well by considering what we can do as a church to encourage people to come to know the Lord Jesus and learn to follow him better.

Time is a gift from God and so is the marking of time. This coming 2018 I encourage you to make certain that on your personal calendar you set time every week to worship God, you set time to celebrate your achievements, and that you make time to set spiritual and physical goals for yourself!

Warmly in Christ,

Fr. Lance

THREE WISE MEN - MAGI

On January 6, we celebrate Epiphany. The word Epiphany means "revealing" or "showing forth". Most of us think of Epiphany as the time the wise men arrived and worshipped Jesus as the "King of the Jews". We can also consider Epiphany as the time when Jesus' future ministry of salvation will be revealed to the Gentiles.

Who are the wise men? The only thing we know from scripture is what is written in Matthew 2:1-12. The wise men from the East followed a star to find the new born "King of the Jews".

We do not know how many wise men sought Jesus, we assume three because of the three gifts presented. The gifts were gold, frankincense, and myrrh. Gold is associated with royalty and kings - Jesus was the "King of the Jews". Frankincense was used in the worship of God in the temples and signified the worship of Jesus. Myrrh is a perfume which is placed on the dead to cover the odor of death - this signified that Jesus would suffer and die.

The magi came from the East according to Matthew's Gospel which may have been from the area now occupied by Iraq, Iran, or Saudi Arabia.

The word "magi" comes from the Greek word "magus". The word "magus" comes from the ancient Persian word "maugatai". This term was only given to priests in the religious sect in ancient Persia known as Zoroastrianism. They were well educated and highly respected and held in high esteem in their society. Today they would be known as astrologers and astronomers.

A popular legend and tradition is that the magi had names which we know:

Gaspar: has brown hair and beard, wears a green and gold robe and his crown is encrusted with jewels. He may have been the King of Sheba and is associated with frankincense.

Melchior: has a long white beard and hair, wears a gold robe and his crown is plain. He may have been the King of Arabia and is associated with the gift of gold.

Balthazar: is thought to have dark skin and a black beard and hair, wears a purple robe. He may have been the King of Tarsi and Egypt and is associated with the gift of myrrh.

Sr. Warden's Remarks

Craig Gates, Sr. Warden
Sr. Warden

Welcome to 2018 and Happy New Year to all. It does not seem possible that it is 2018 already.

January will be an exciting and busy time for us at St. Andrew's. On January 7 we will hold our annual birthday celebration and it will be a special celebration indeed. Our mortgage has been paid off and there will be a mortgage burning event. The diocese will send a representative to join in the festivities. We are blessed to be debt free so please plan to attend this joyous event.

Our annual Parish meeting will be held on Sunday January 28, after the 10:30 am service. This is an important meeting as we will be electing three (3) new vestry members and our 2018 convention delegates. We hope you will attend and show support in electing delegates who will represent you and our church.

Our Annual Report is being completed for this meeting and we will also be recognizing our volunteers and many church ministries. If you are a ministry leader, please check with Debbie Smith to see that your list of volunteers and report are up to date for publishing.

Thank you to all who worked so hard to make 2017 such a successful year.

I look forward to worshiping with you in the coming year and as always, please remember to greet our guests warmly and make them feel welcome!

Ministry News

Altar Guild

Glee Gates,
Coordinator

Hello and welcome to January. By the time you read this the birth of our Savior Jesus Christ will have been celebrated and decorations and reminders put away for another year. Many preparations were made to make the church beautiful and I pray you noticed and enjoyed the work of the volunteers who contributed to this labor of love. The Christmas services with the flowers, candles, carols and readings retold the familiar story of the birth of Mary's son, our Savior Jesus. Let us be reminded throughout the year of this glorious event and not just at Christmas.

We are anxiously awaiting completion of the remodeled Sacristy and I thank each and every one of the Altar Guild members for their patience and tolerance. You have prepared for services during one of the most challenging seasons with grace and generosity toward one another. You have all exhibited kindness and tolerance in the face of adversity and you are appreciated more than I can express. Thank you all so very much for your service to St. Andrew's and the Altar Guild.

Sunday School

Miss Susan, Miss
Colleen & Miss Jeanie

We have learned a lot in Sunday School recently. We discovered that the Old Testament must have known what would happen in the New Testament. We learned about the meaning in Advent. We learned about the waiting place and preparing the way for Jesus. We learned about sheep and goats! We learned about life insurance from Jesus' teachings. We learned how to reflect Jesus' light to others and to the entire world. We contributed our thoughts and accomplishments to our Gratitude Jar each week.

**You never listen properly.
You're gonna be in so much trouble!**

Pastoral Care Ministry

Janet Crisfield, Facilitator

The Pastoral Care Ministry is dedicated to bringing the presence of Christ to parishioners that are unable to come to regular services either on a temporary or on-going basis. This follows the tradition of the earliest Christians bringing bread and wine from services to those unable to come.

We provide visits to the homebound, hospitalized, and those in rehab or extended care facilities. We meet bi-monthly during the regular church year. Training and screening is required of anyone wishing to join this rewarding ministry.

Grace Smith is a member of our Pastoral Care Team with an interesting background.

She was born in Guyana and is a life long Anglican and now Episcopalian. At her church in Guyana she served in many ministries in a leadership position. She taught in an Anglican School for many years.

Upon moving to England, she continued to teach in an Anglican School. She was an active member of St. Michael's Wembley, Middlesex. There she served in leadership positions and served on the Vestry for 6 years. In 2008 as she was approaching retirement she prayed for the Lord to direct her in her retirement. He led her to Pastoral Care. She states she enjoys and get satisfaction serving the Lord in evangelizing, praying and sharing Holy Communion with the sick and housebound.

Sometime after retirement she moved to Florida with her husband Rudolph. They have been members of St. Andrews for two and a half years. In addition to her faithful Pastoral Care service, Grace is a member of Daughters of the King, volunteers in the Thrift Shop and assists with the Senior Sunday School.

The next meeting is January 24, 2018 in Krysher Hall at noon.

If you are interested in learning more please call Janet Crisfield at (352)796-9389 or Father Lance at the church (352)683-2010.

I am a lifelong Episcopalian. I was an acolyte, lay reader and LEM at St. Mary's, Lake Ronkonkoma, NY and am a lay reader and LEM here at St. Andrews. What do you love about our church?

I love everything about St. Andrews from the friendly people to the close friends I have made since first attending services in 2010. Father Lance is a Godsend as he leads us into the future along with his wife Diane. They have guided us to grow and improve our church and make St. Andrews a place of love and generosity to us and all those in need.

I have served on the vestry since 2015. It has been a very pleasant experience and I have learned a lot.

Tell us a little about yourself and your faith:

I have lived in Florida for 8 years and have been attending St Andrew's for 7 years. My daughter attends Hudson High School and participates in the youth group. During our time here, I can say that I have grown spiritually.

Your Name: Jacqueline Ruth (Jackie)

Why do you want to serve as a Vestry member of St. Andrew's Episcopal Church?

As a member of St. Andrews I serve on many ministries. But now I believe I can serve our Lord in a more administrative role.

What are your qualifications for this position?

I believe serving on the following ministries help to me have a decent understanding of St. Andrews: Fellowship, Outreach, Helping Hands, Counter (bi-weekly), computer operator on Sunday, Co-chair of Canterbury Festival and a member of the Daughters of the King.

Tell us a little about yourself and your faith:

I was born in New York City. I moved to Florida 15 years ago. I worked for over 40 years for the same company—U.S. Trust of NY: now part of Bank of America. I started in a steno pool and retired as a vice president in trust operations. I was a member of St. Mary's Episcopal Church on Staten Island for several years where I served on the Altar Guild, co-chaired our annual spring fair, and coordinated all celebrations and events. St. Mary's was and always will have a special place in my heart.

My faith in God helps me to stay grounded every day. However, I pray each morning for patience and focus. Some days I don't pray hard enough.

What do you love about our church?

From the first Sunday I visited St. Andrews, I knew I was in the right place. I feel at home. To sum up in words: peaceful, received, blessed, happy and loved.

Are you able to be present for Vestry meetings on the fourth Sunday of the month at 6:15 p.m.? Yes

Are you able to be present for both the Vestry Orientation Retreat the first weekend in February from 9-3? Yes

Your Name: Mike Ludwell

Why do you want to serve a Vestry member of St. Andrew's Episcopal Church?

I have grown so much from St. Andrew's that I felt it was time to provide more support to the church. I enjoy St. Andrew's and have come to feel close to the church community through the many ministries and want to engage further as a vestry member.

What are your qualifications for this position?

My professional career included thirty years in school administration concluding as a superintendent of schools in New Hampshire. My previous experience with the Episcopal Church included serving as a vestry member in St. Louis and junior warden in Wyoming. My ministries at St. Andrew's include backpacks for school children, serving as a counter for Sunday offerings, transporting those in need and participating in the food pantry. Two new ministries are Helping Hands and serving as a greeter and usher.

Tell us a little about yourself and your faith.

I was raised in Los Angeles as a Roman Catholic and educated in Catholic schools. However, I have found greater comfort and spirituality through the Episcopalian faith. I became an Episcopalian in the 1980's. Faith is an ongoing journey for me: I have my highs and lows. I do enjoy participating in adult formation and have learned a great deal from their content. On the personal side, my wife Kathy helps guide me through this journey. We have three grown children who live in the St. Louis and San Francisco areas.

What do you love about our church.

It took a bit of time to find my niche in the church community. But, gradually I gained an appreciation of the mission of the church and the wonderful people working and worshipping together.

Are you able to be present for Vestry meetings on the fourth Sunday of the month at 12.30 p.m.?

Yes. I would take this charge very seriously and do everything I could to fulfill my obligations and responsibilities.

I have attended a Cursillo weekend and been involved in the Alpha program, along with a few other programs associated with the Episcopal Church.

Tell us a little about yourself and your faith:

I have been an Episcopalian for 54 years, having been brought up in a Christian family. I have been brought to Christ and have had many life-changing experiences during my ongoing journey of faith.

I have been married for 53 years and have a wonderful family of a nurturing husband, lovely and caring daughter, a special son and daughter-in-law and three grandchildren.

What do you love about our church?

Saint Andrew's has a very special place in my heart. It has a congregation of caring and loving people. It is a lovely place and Christ is truly present here.

Do you like people? Can you work with numbers and computers? We are looking for people as greeters and tax preparers. If you have 4 hours a week (9 am to 1 pm) available between February 1 and April 15, you could be assisting others with filing Federal Tax Returns. Training is sponsored by AARP Tax Aide which uses a program very similar to Turbo Tax. Note, you do not need to be an AARP member to volunteer. Training will take place on December 13th and January 10, 17, 18, 24, 25, 26 from 9:00-3:00 pm right here at St. Andrew's. You will be reimbursed for mileage to and from one of 7 different locations in Spring Hill & Brooksville. If interested please visit the AARP website at aarp.org/taxaide to complete the volunteer form. For questions you may call Joan at (352)200-5790 or see Edna Wood at the 10:30 am service.
